Help the puppy find the bone and reach the house!

Solution 1

Follow the dashed path to check your answer.

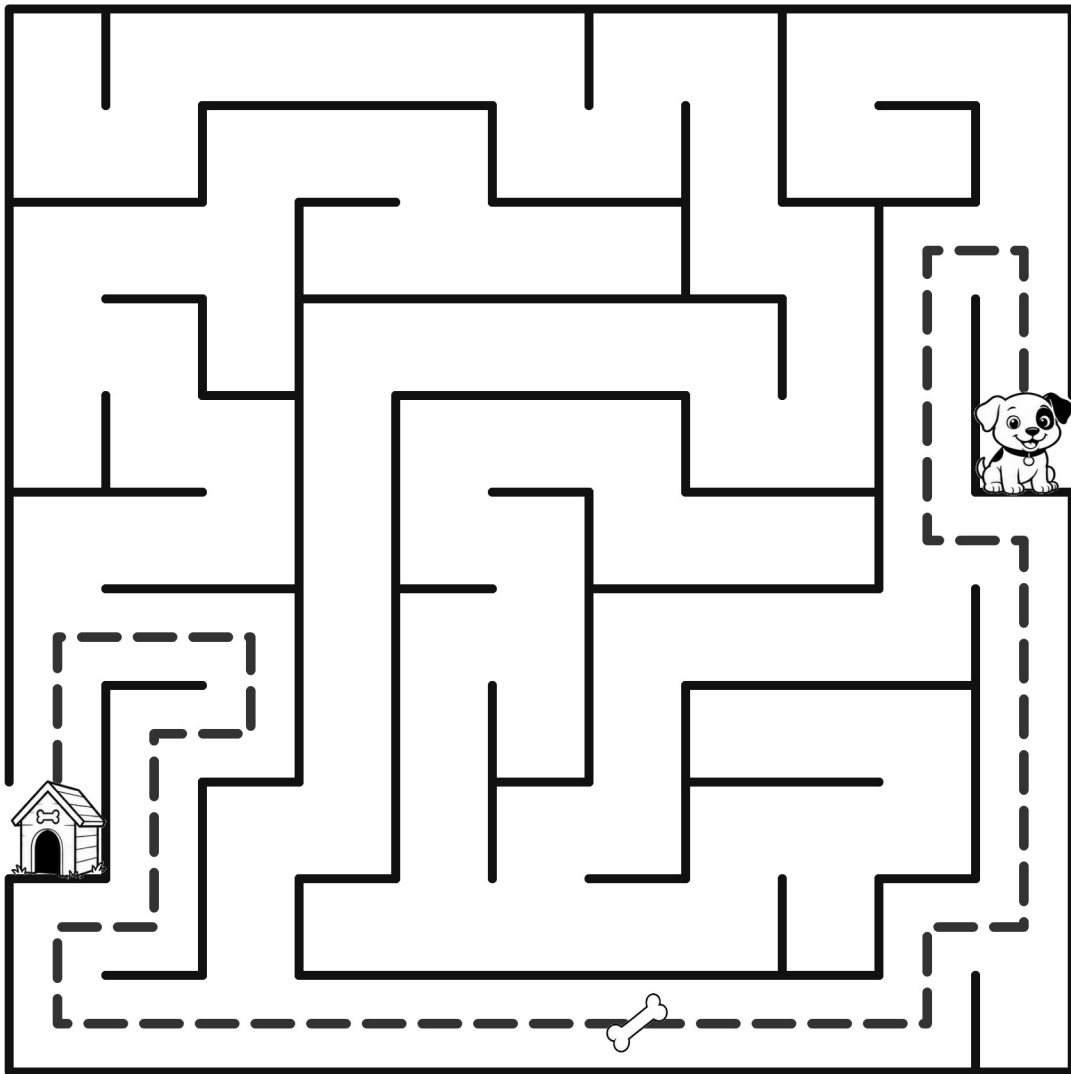

Solution 2

Follow the dashed path to check your answer.

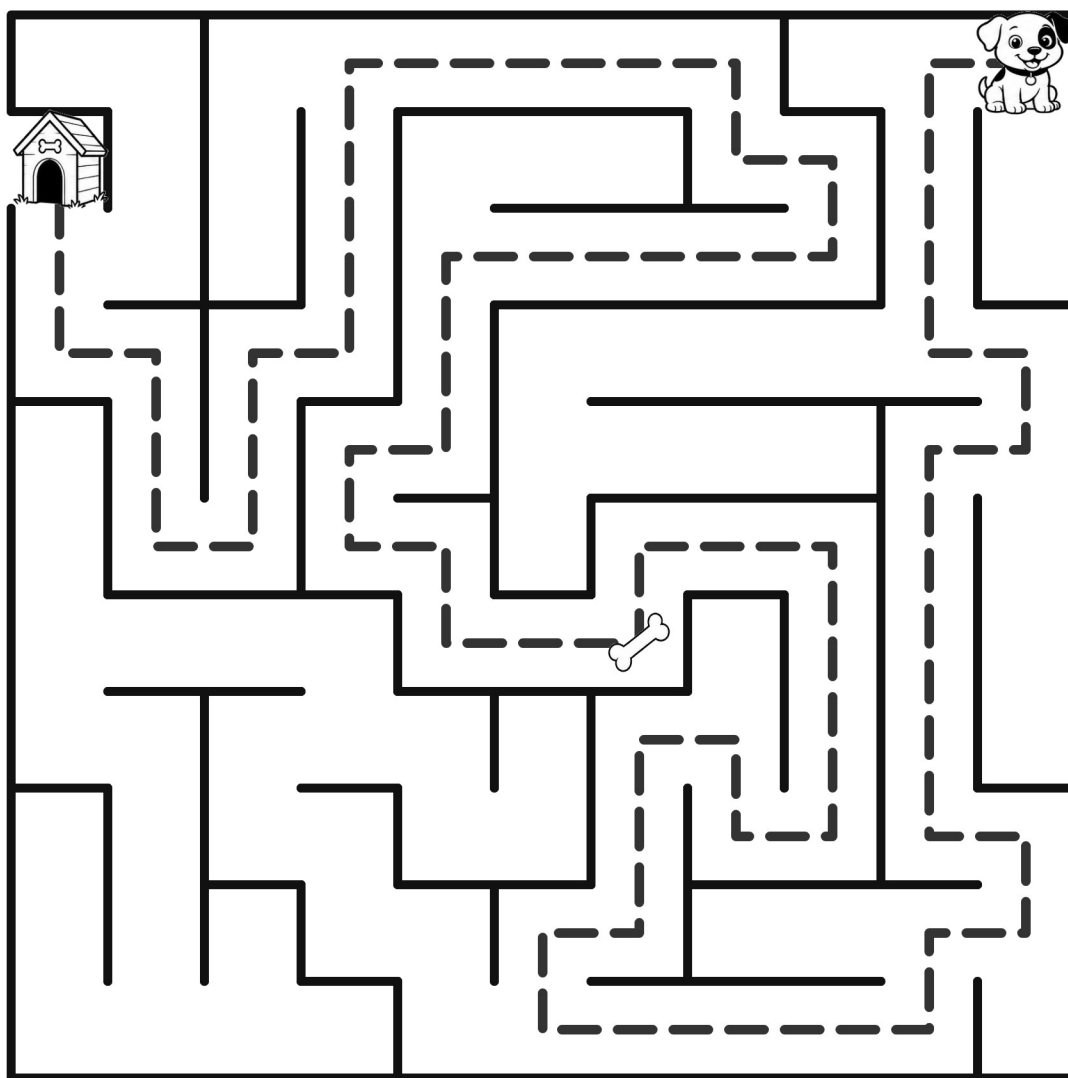

Solution 3

Follow the dashed path to check your answer.

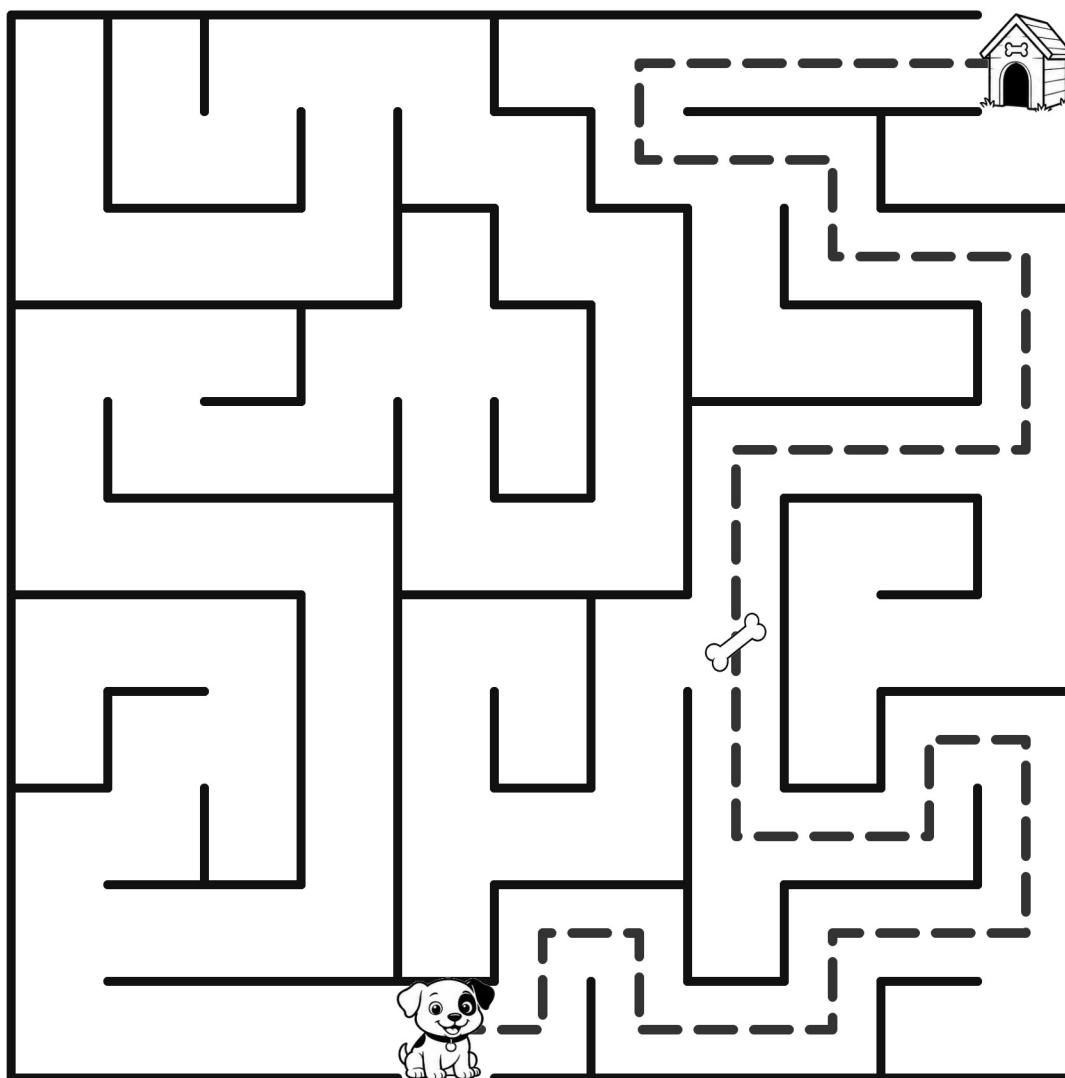

Solution 4

Follow the dashed path to check your answer.

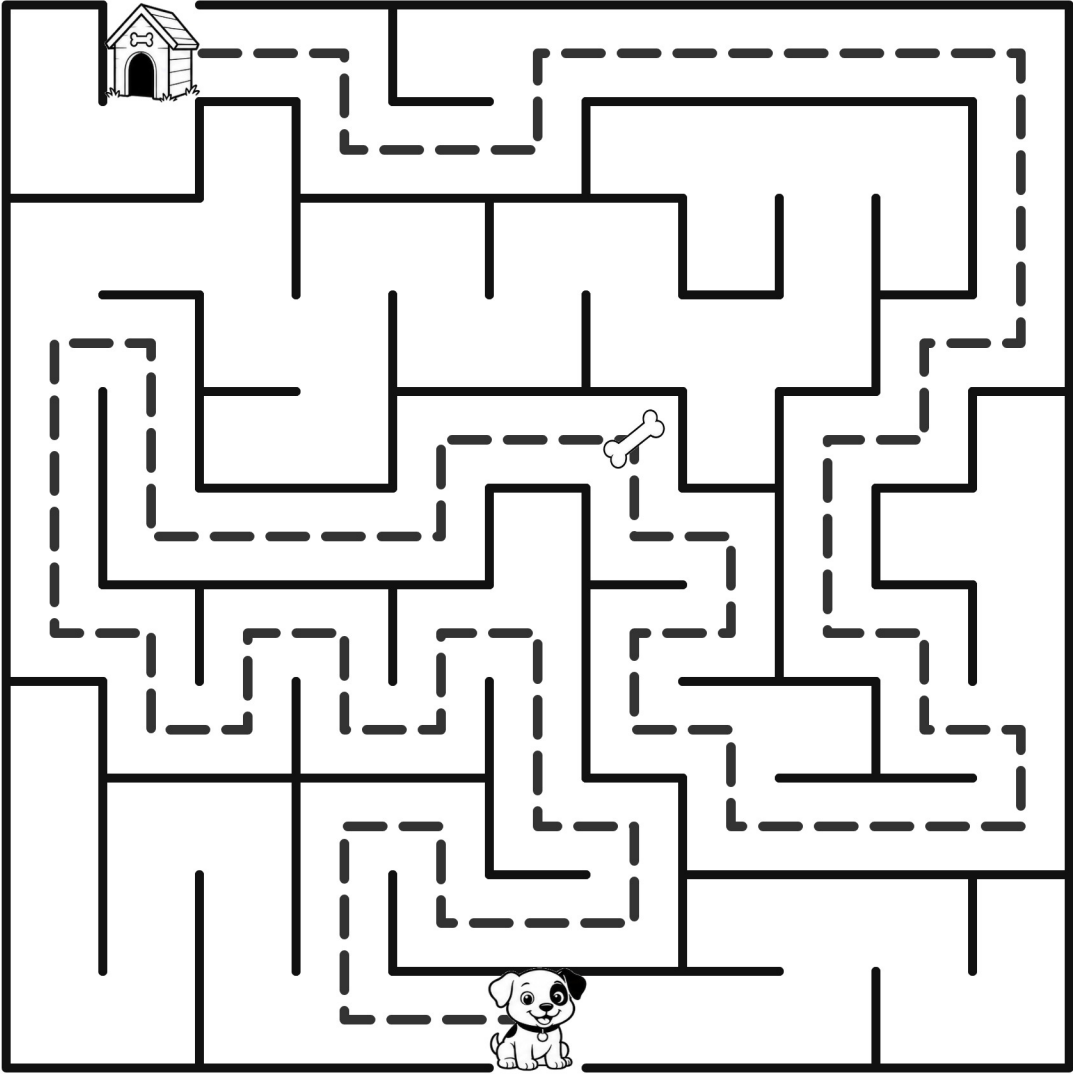

Solution 5

Follow the dashed path to check your answer.

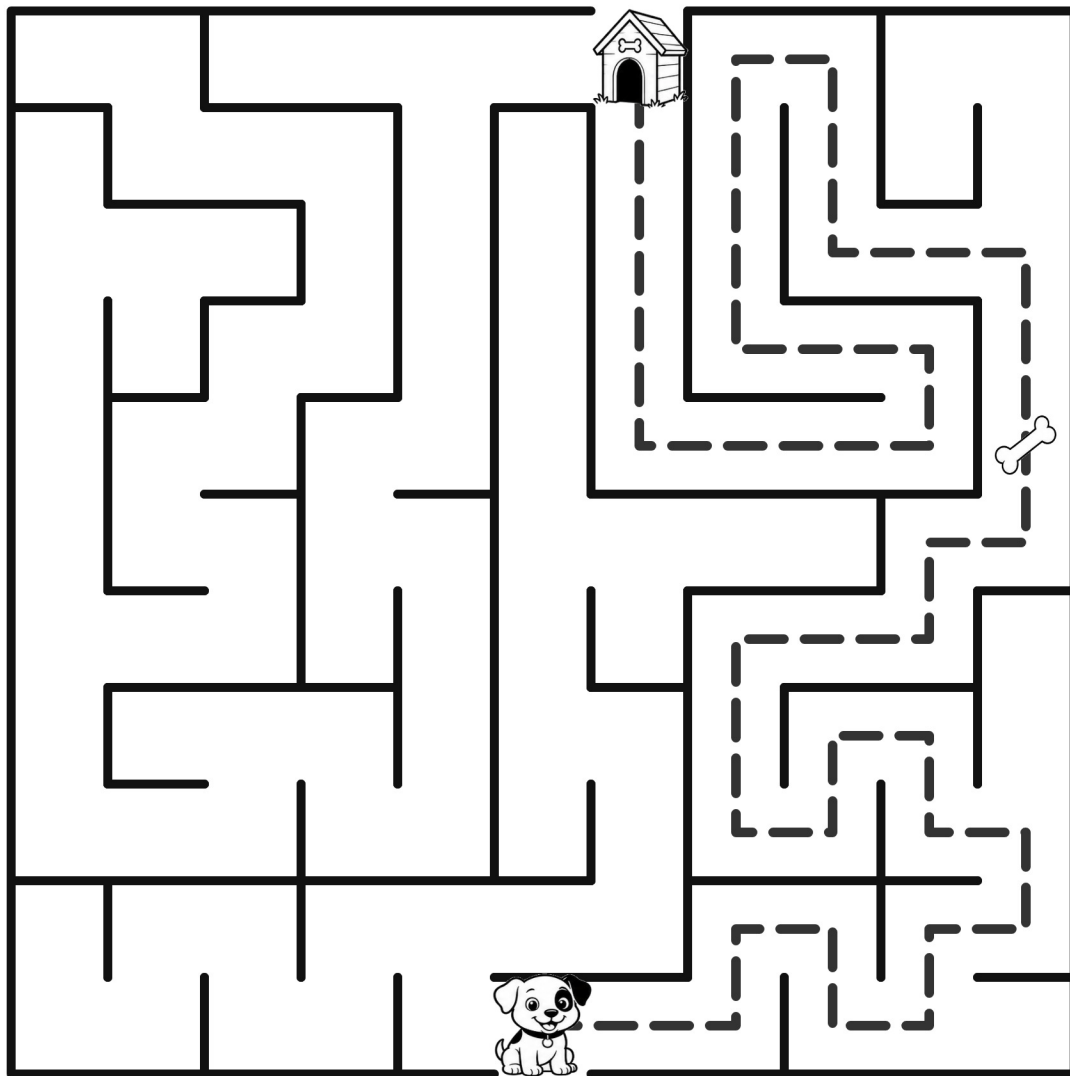

Solution 6

Follow the dashed path to check your answer.

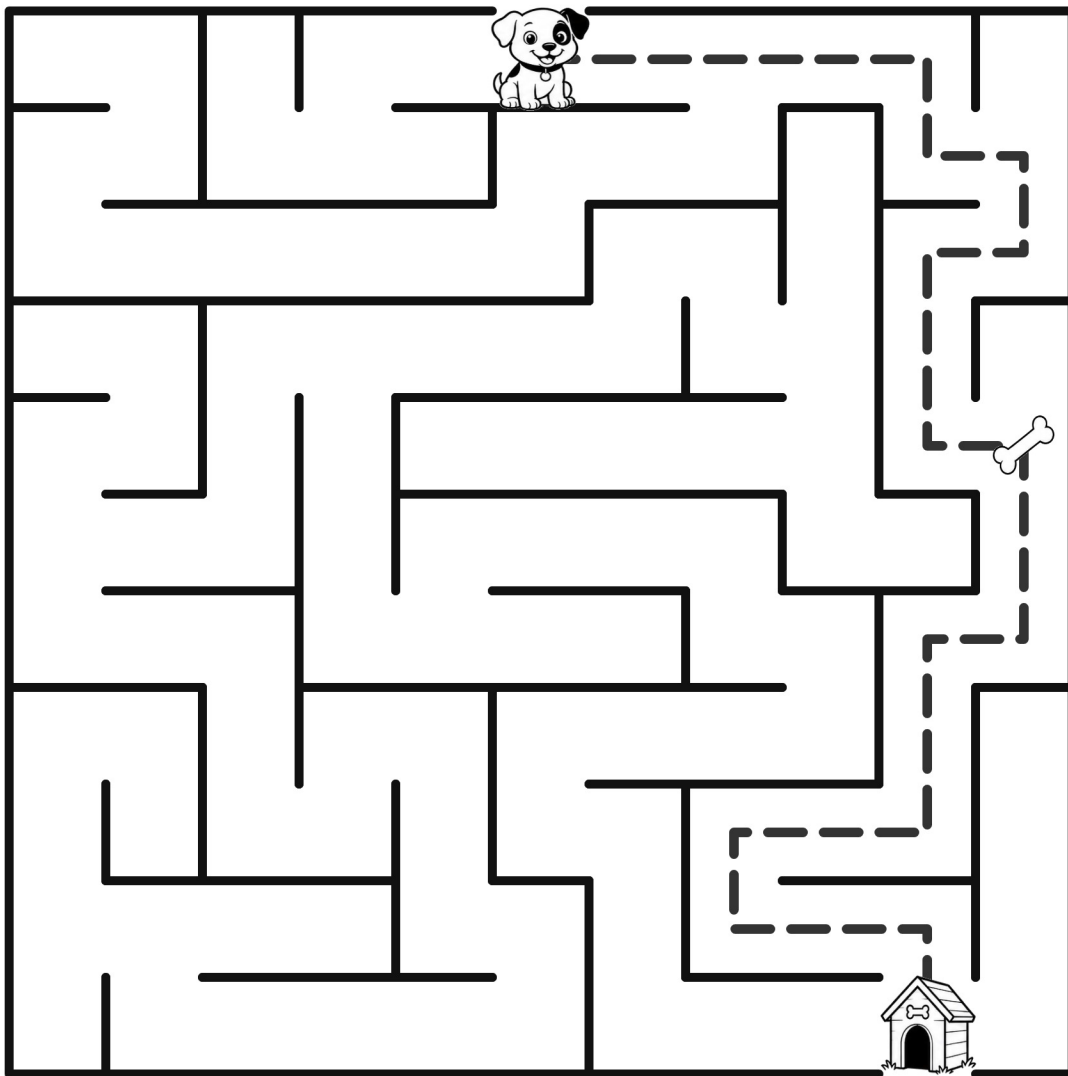

Solution 7

Follow the dashed path to check your answer.

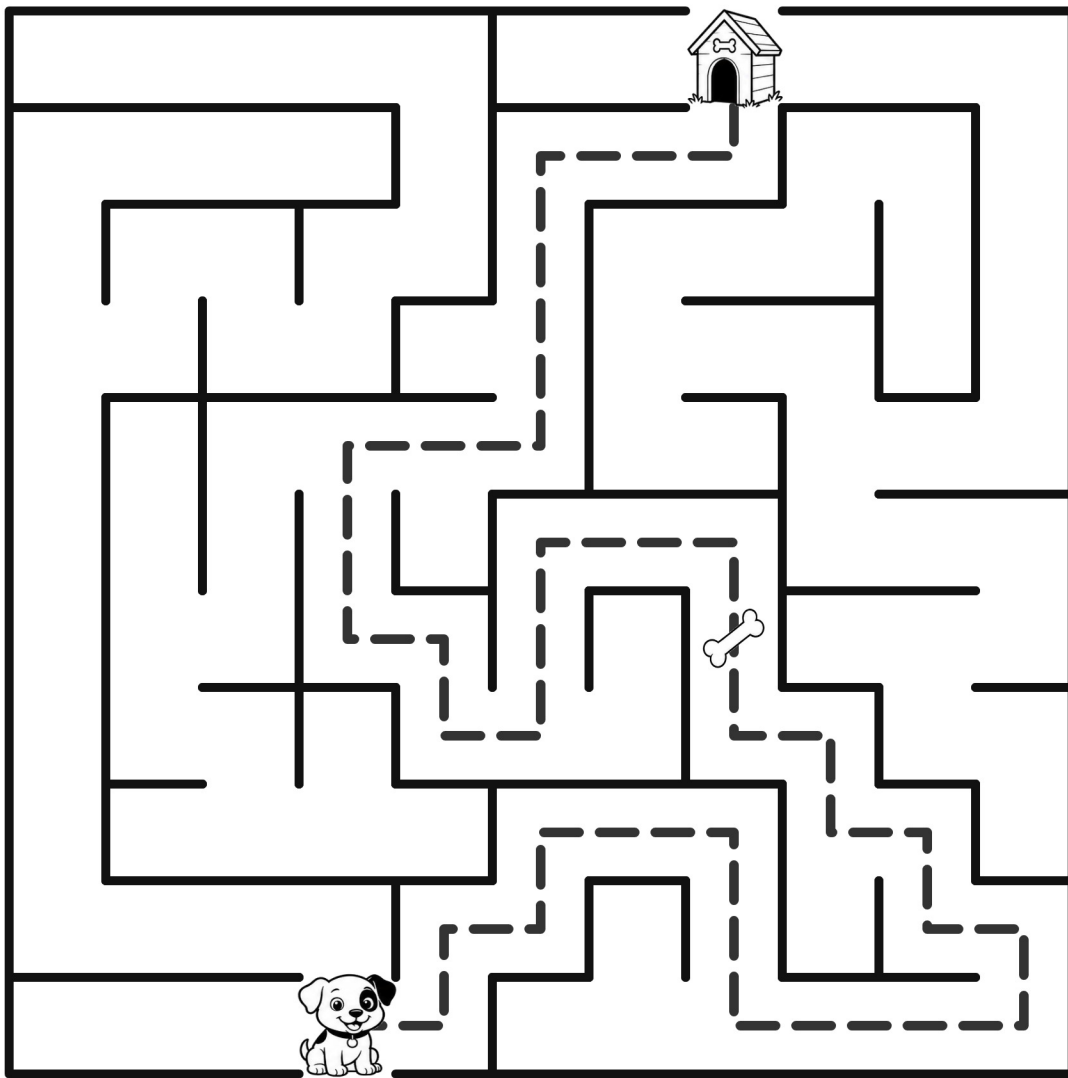

Solution 8

Follow the dashed path to check your answer.

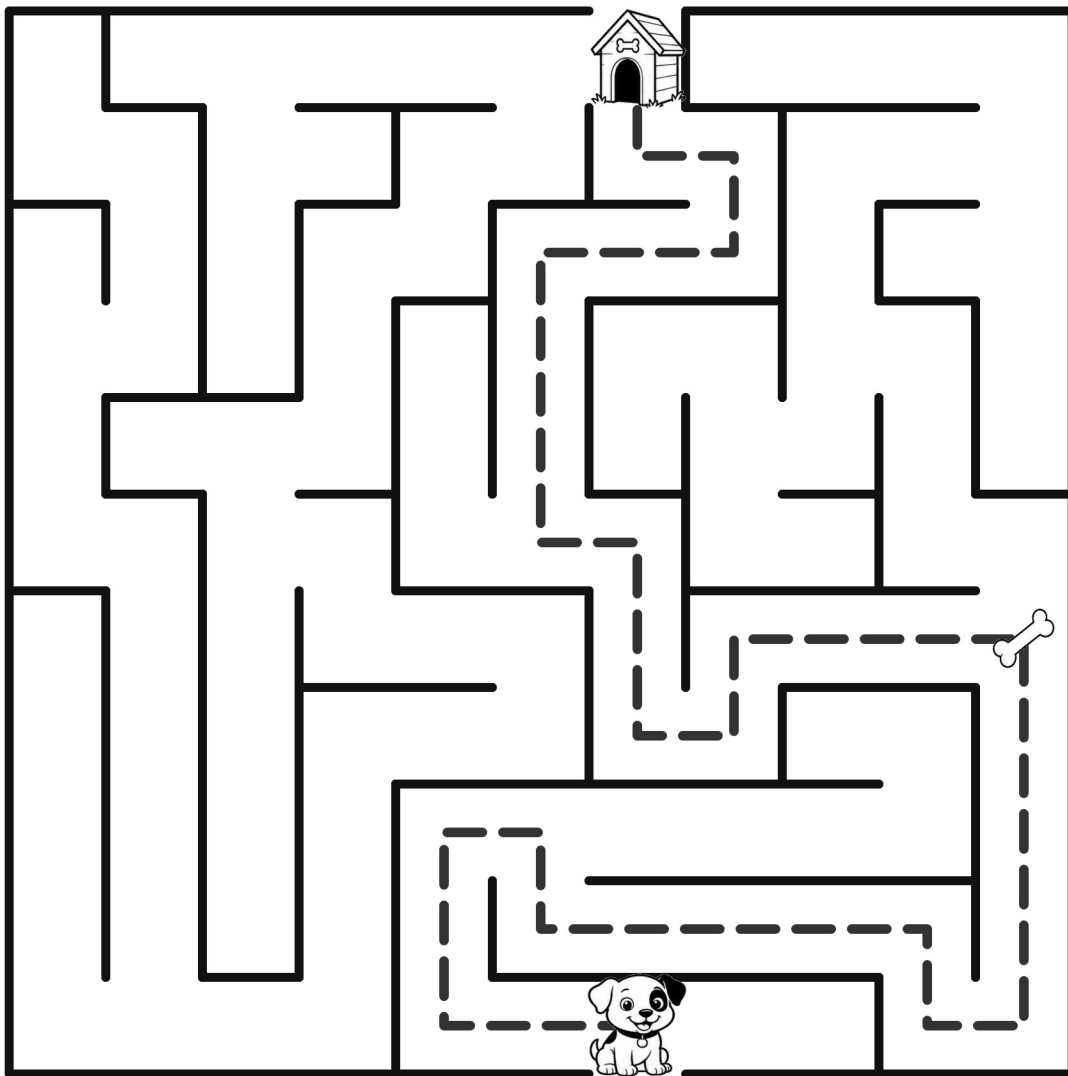

Solution 9

Follow the dashed path to check your answer.

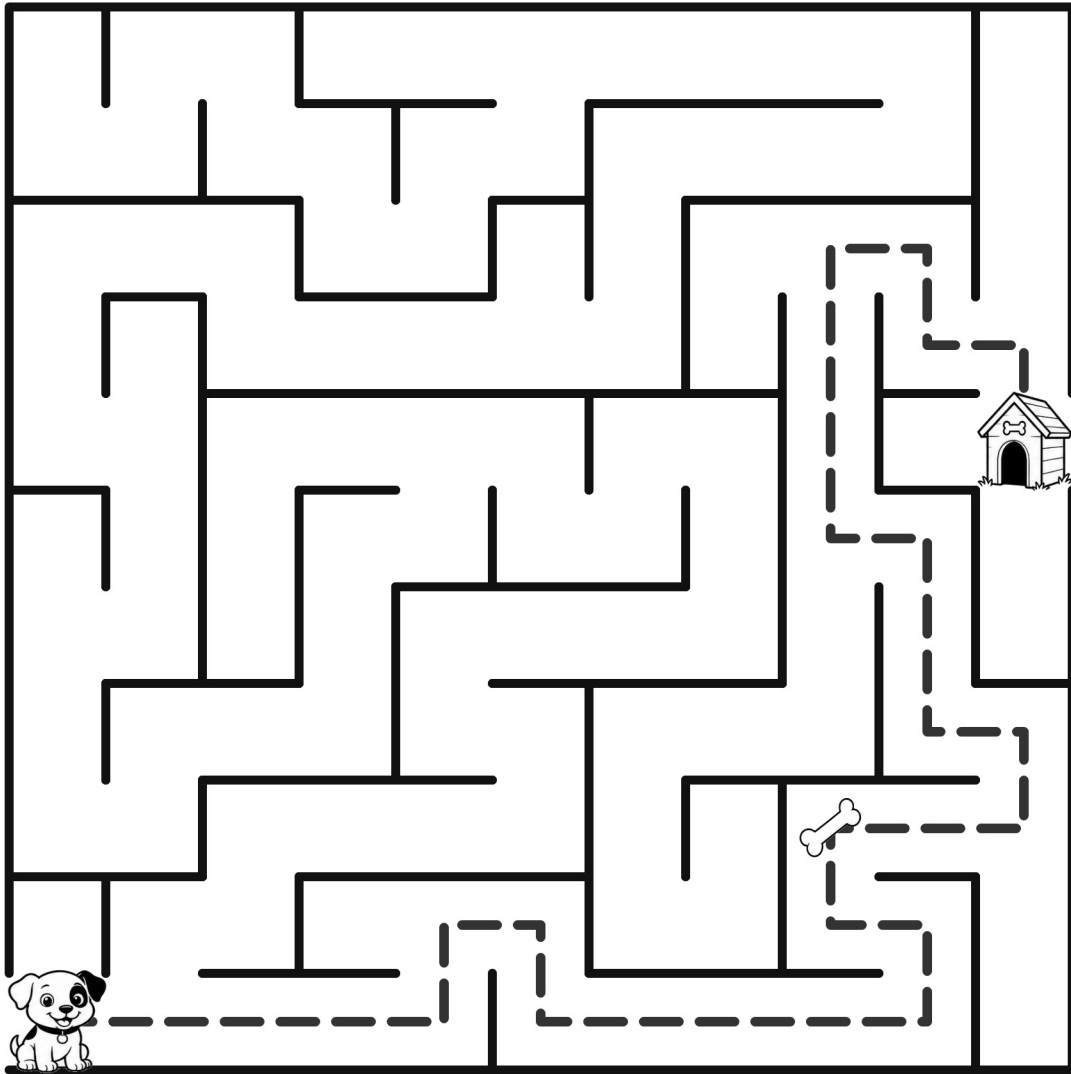

Solution 10

Follow the dashed path to check your answer.

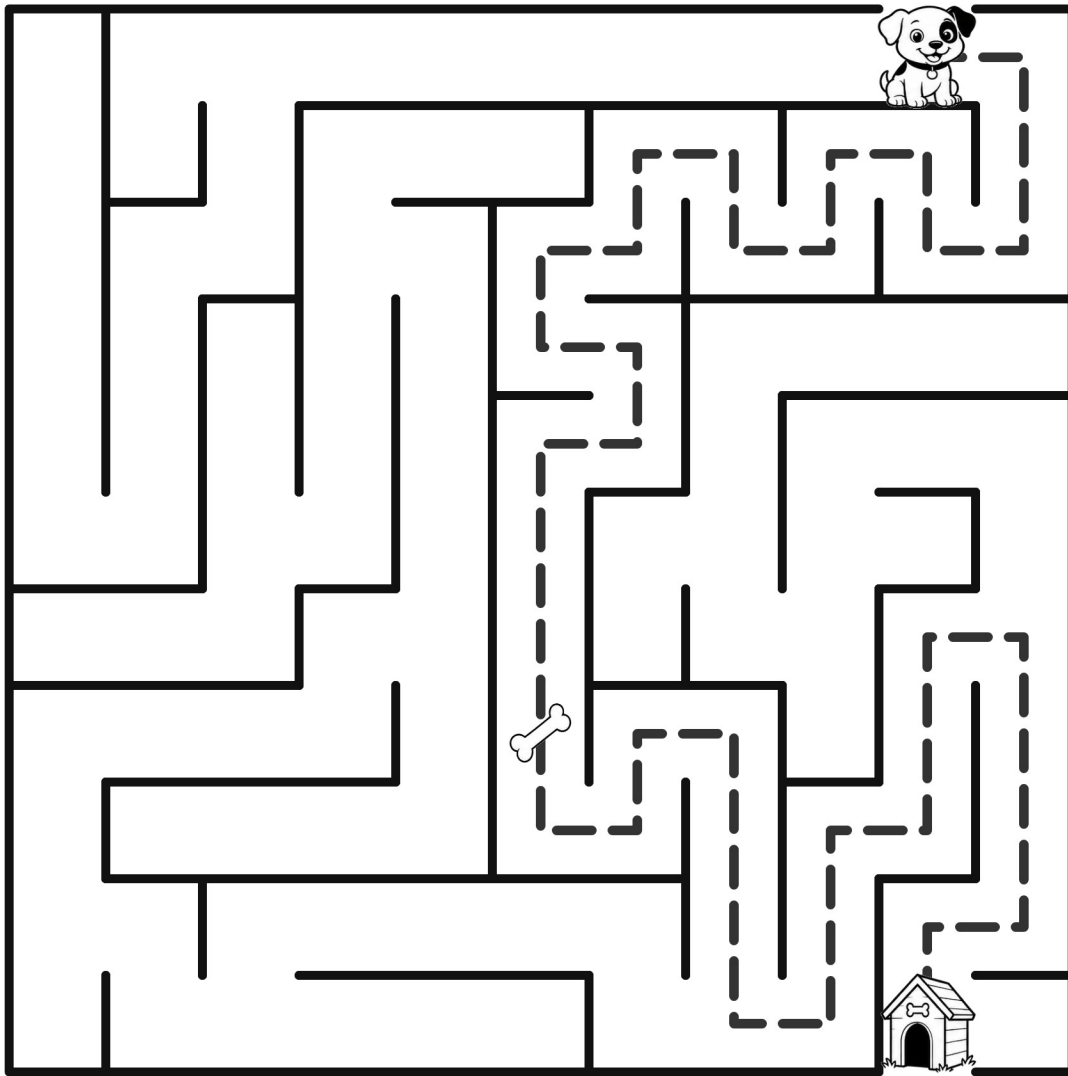

Solution 11

Follow the dashed path to check your answer.

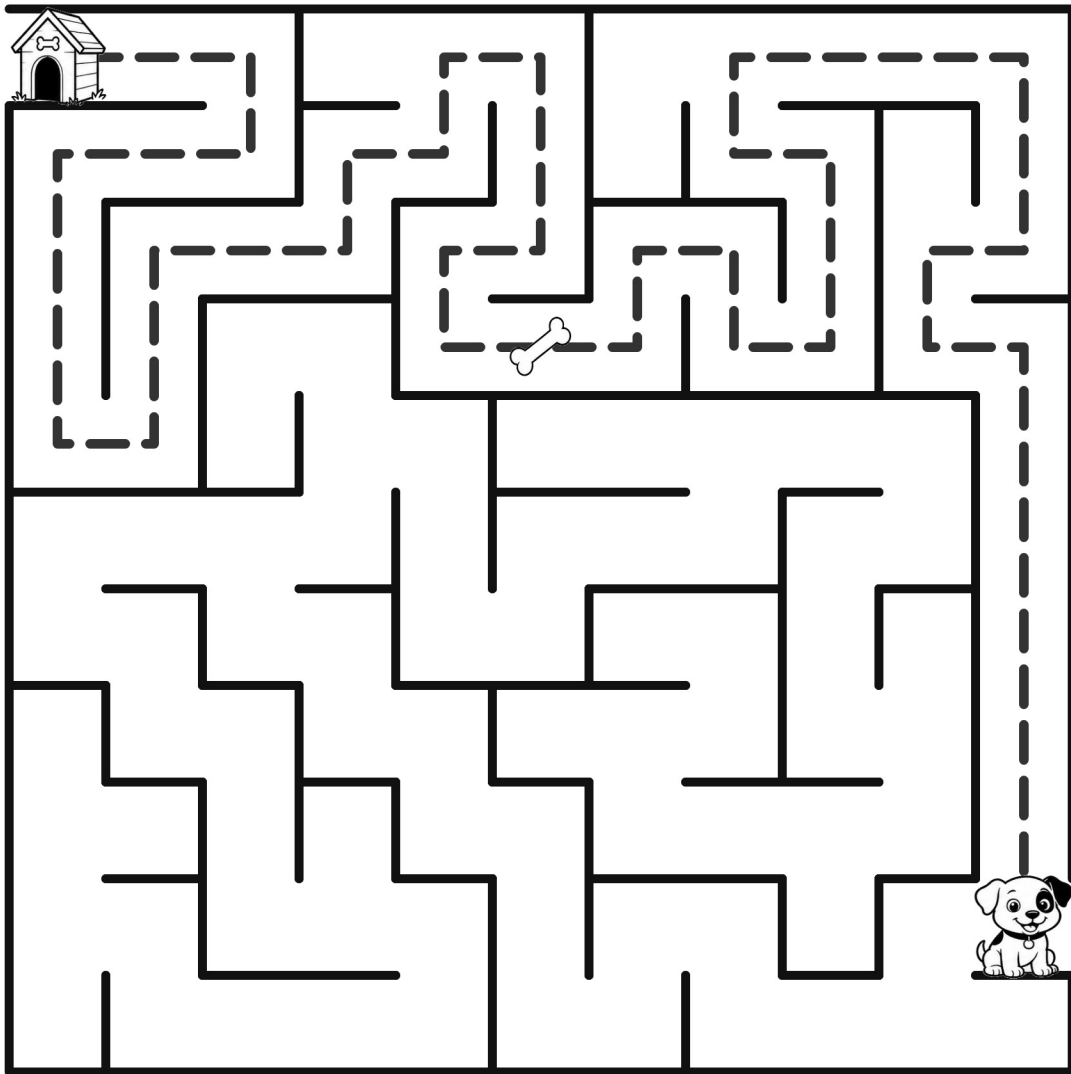

Solution 12

Follow the dashed path to check your answer.

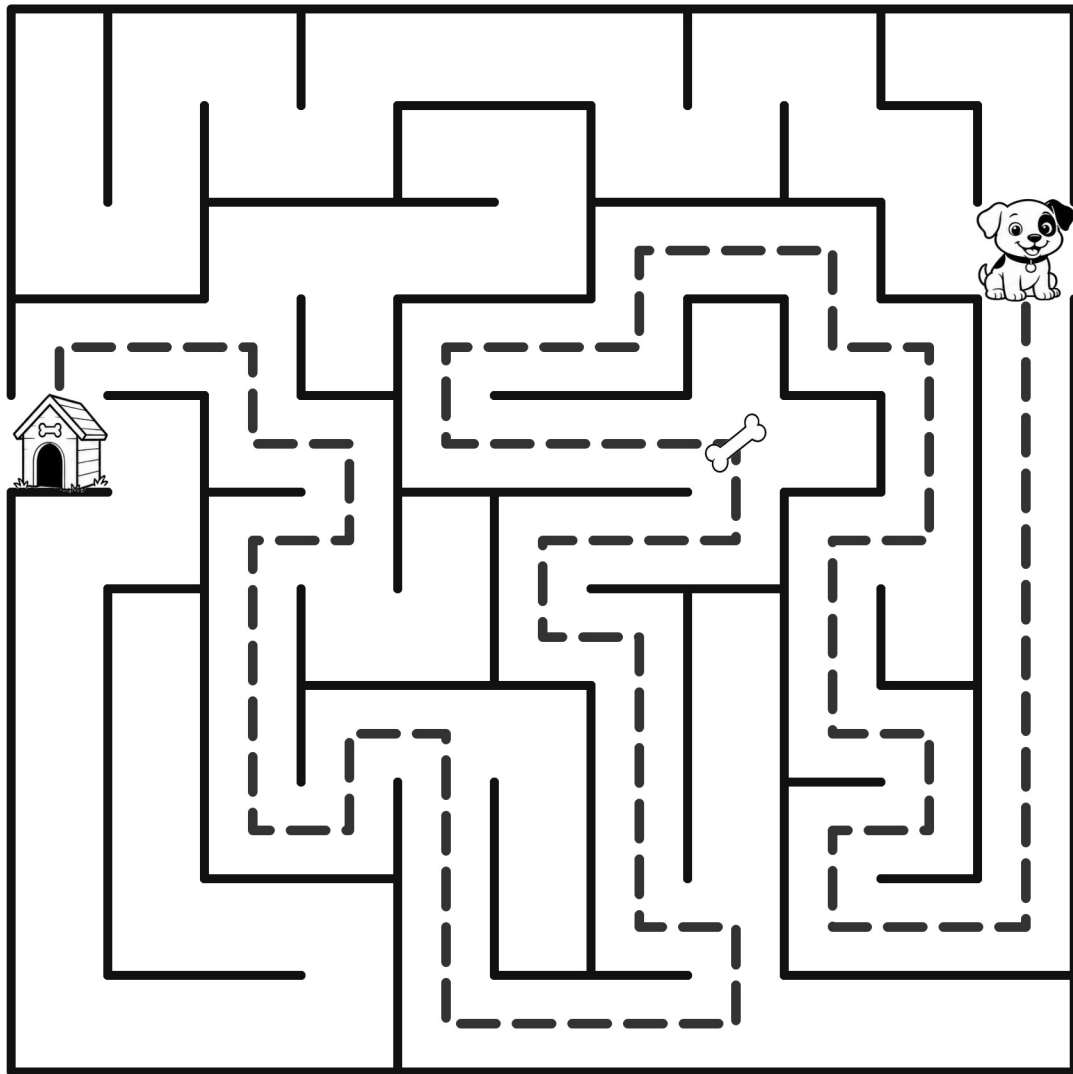

Solution 13

Follow the dashed path to check your answer.

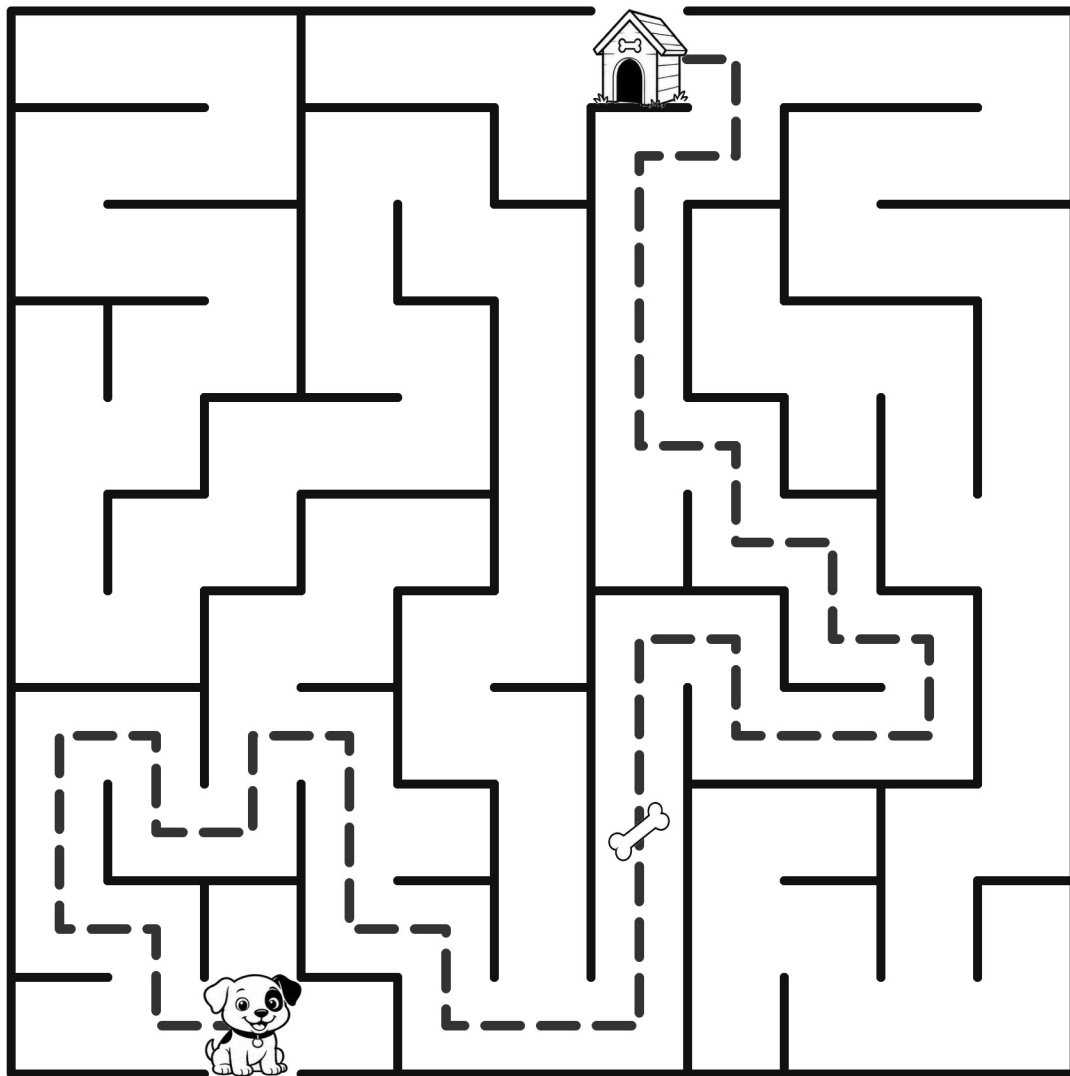

Solution 14

Follow the dashed path to check your answer.

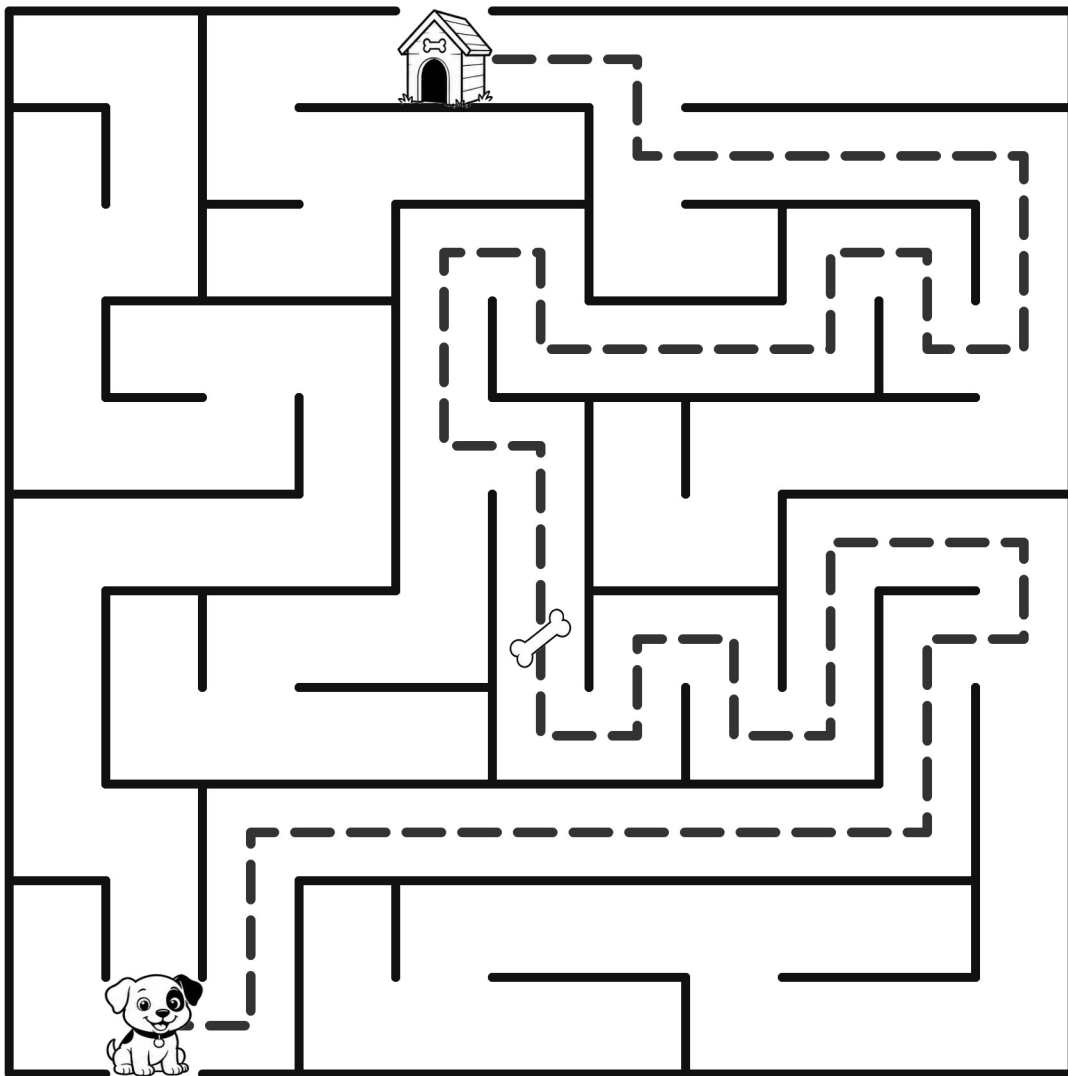

Solution 15

Follow the dashed path to check your answer.

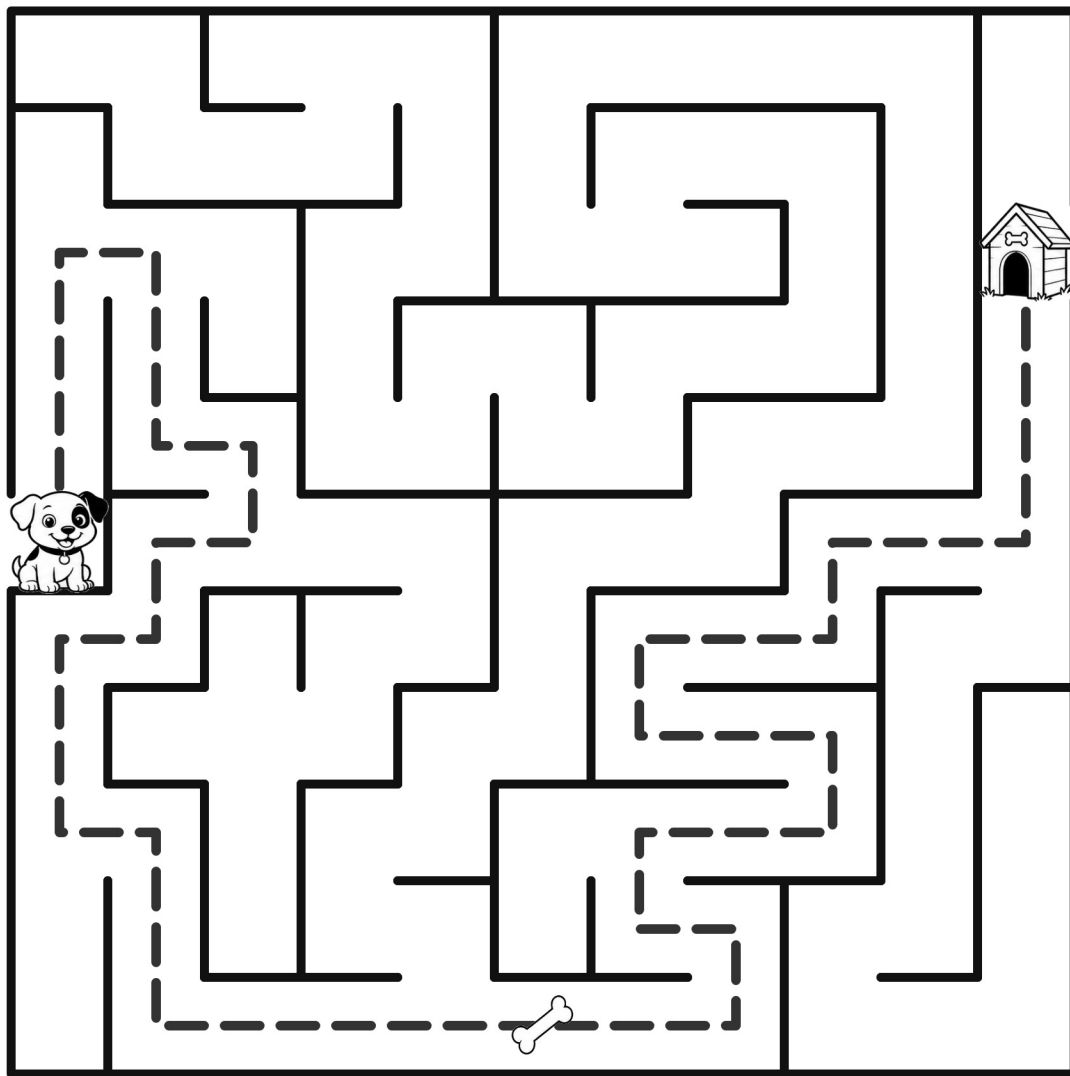

Solution 16

Follow the dashed path to check your answer.

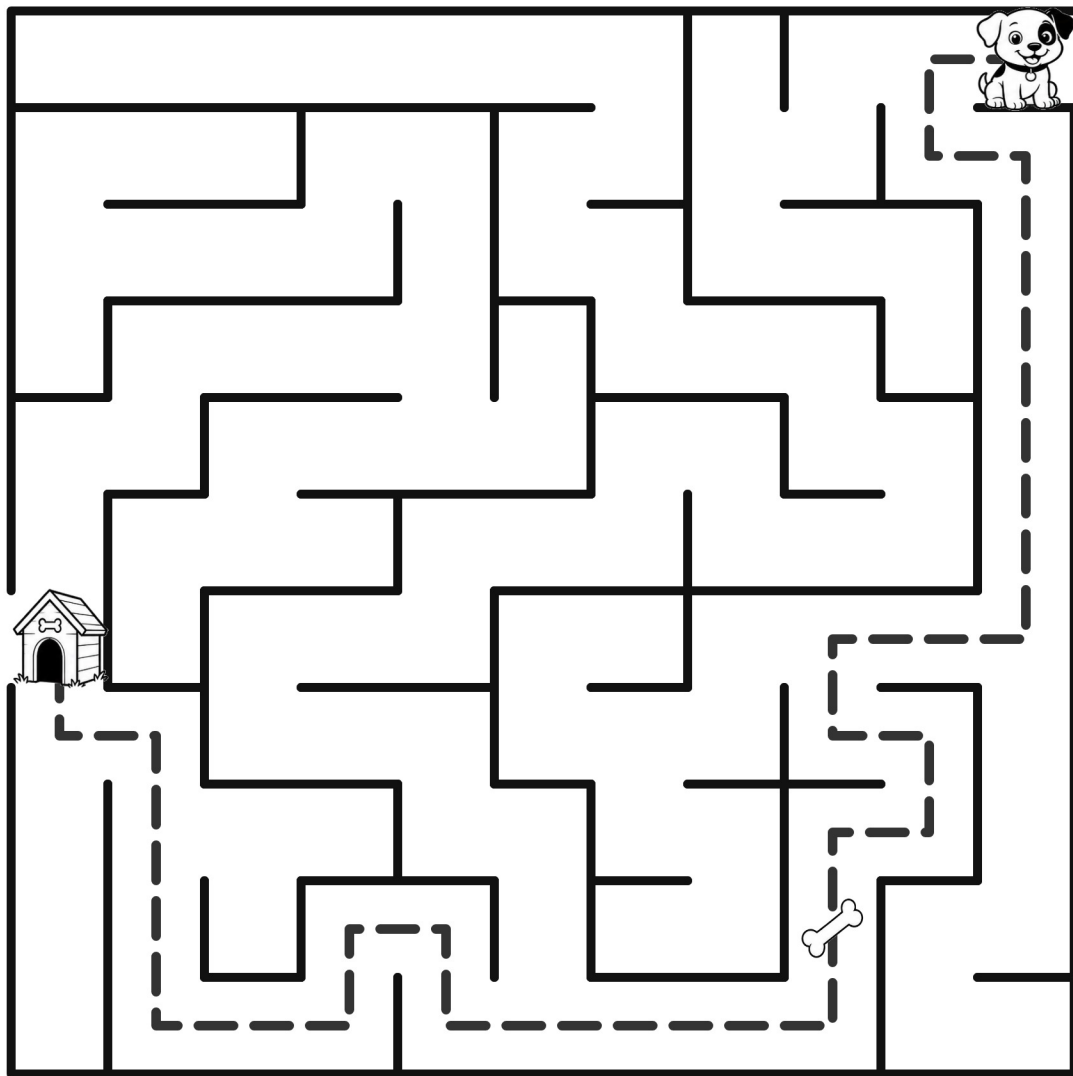

Solution 17

Follow the dashed path to check your answer.

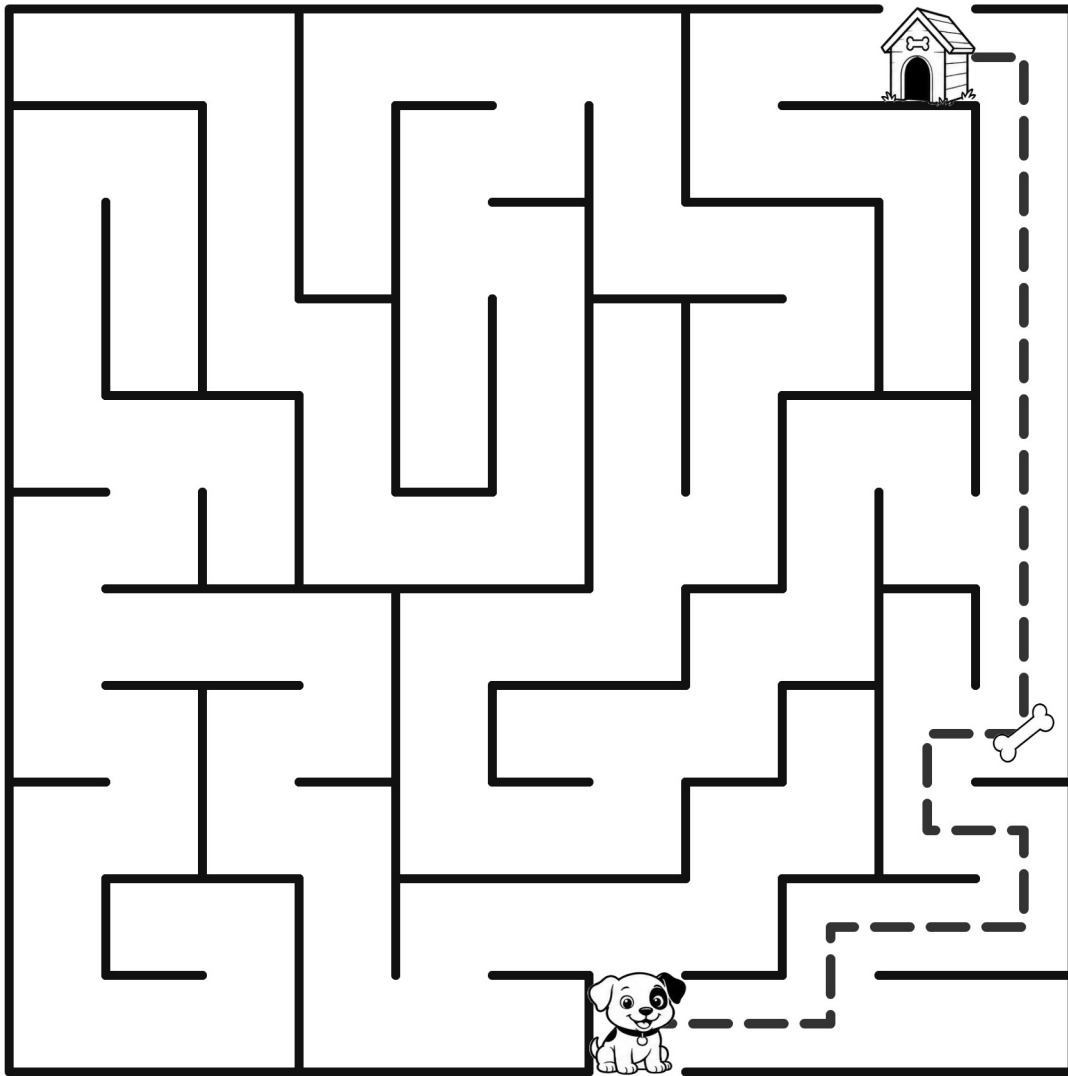

Solution 18

Follow the dashed path to check your answer.

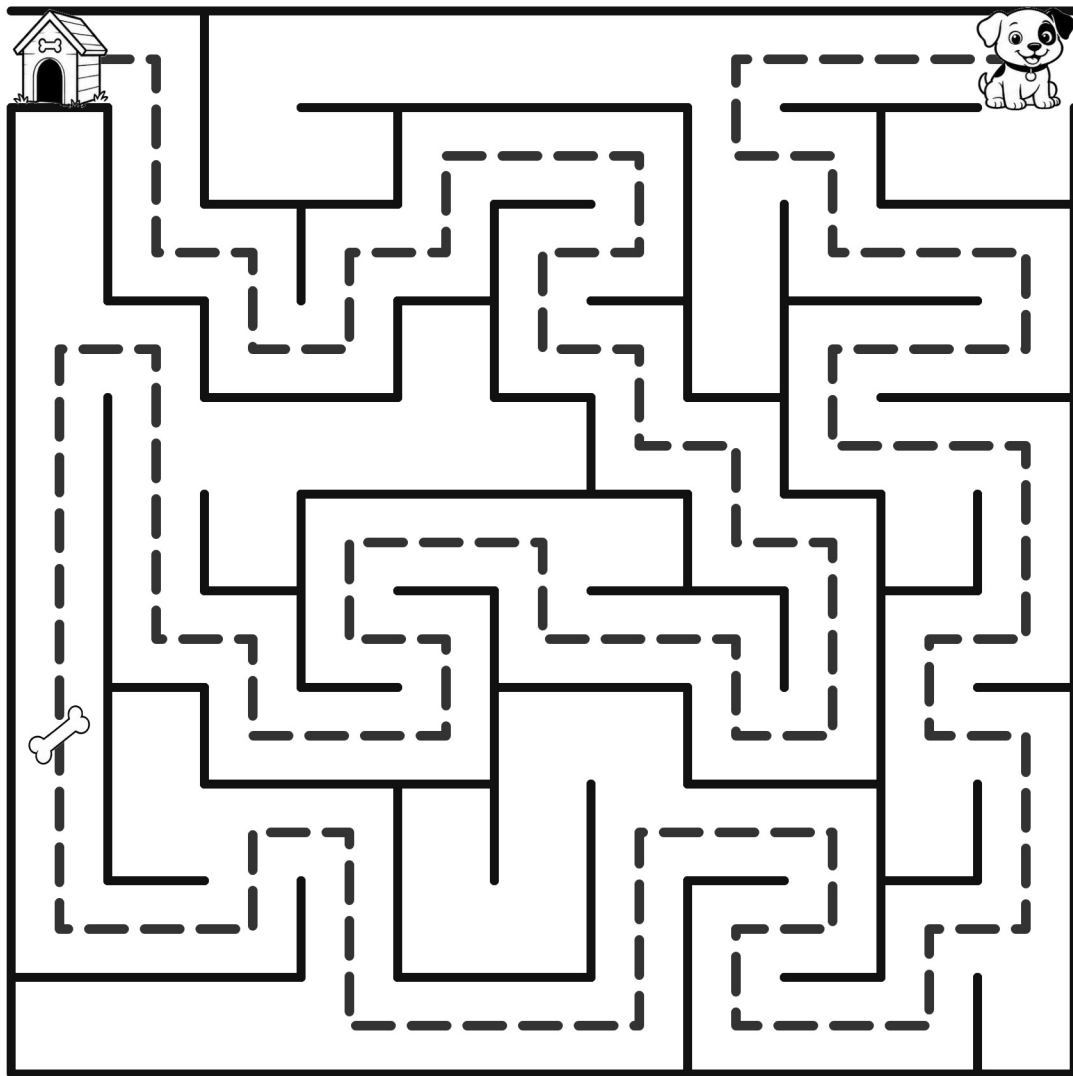

Solution 19

Follow the dashed path to check your answer.

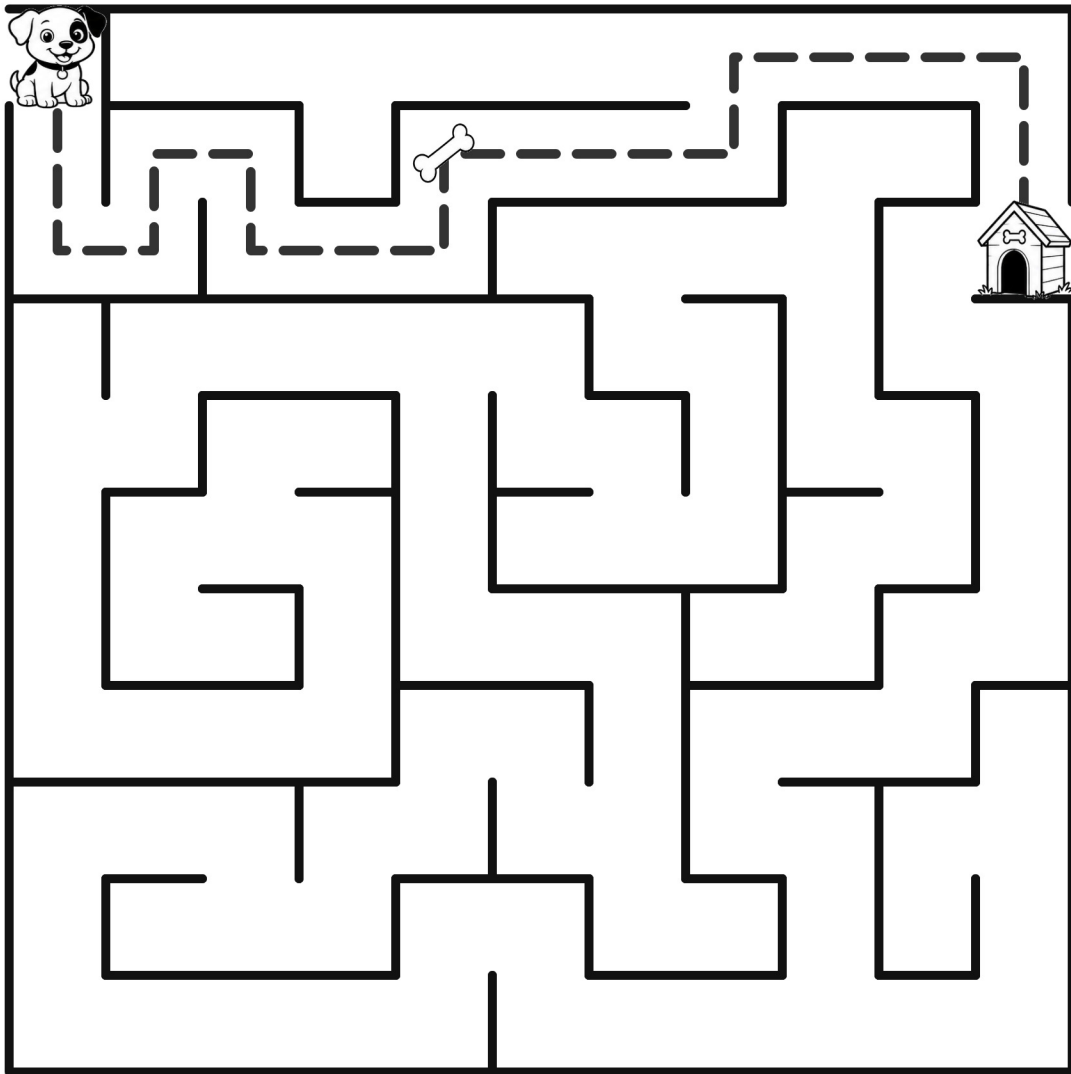

Solution 20

Follow the dashed path to check your answer.

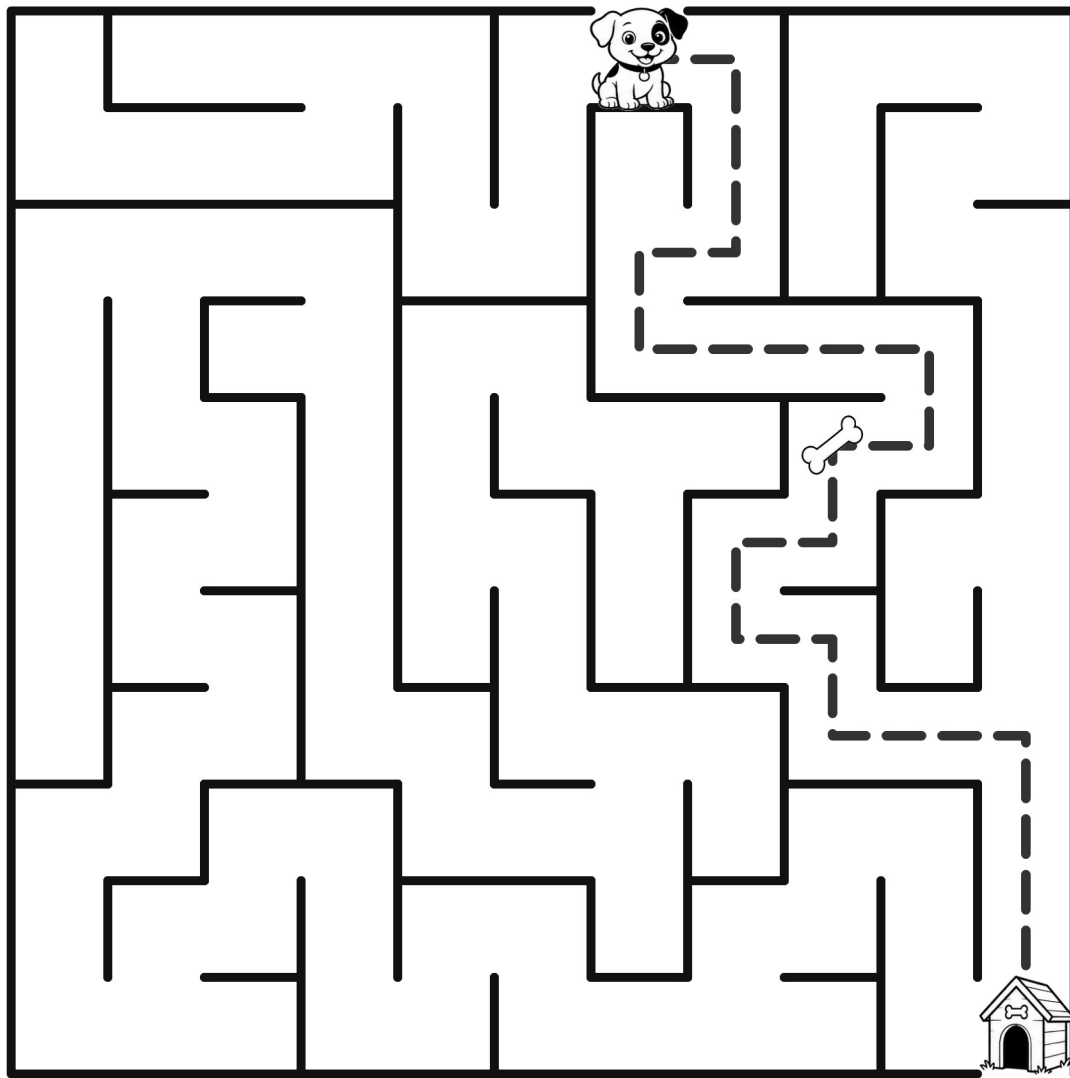

Solution 21

Follow the dashed path to check your answer.

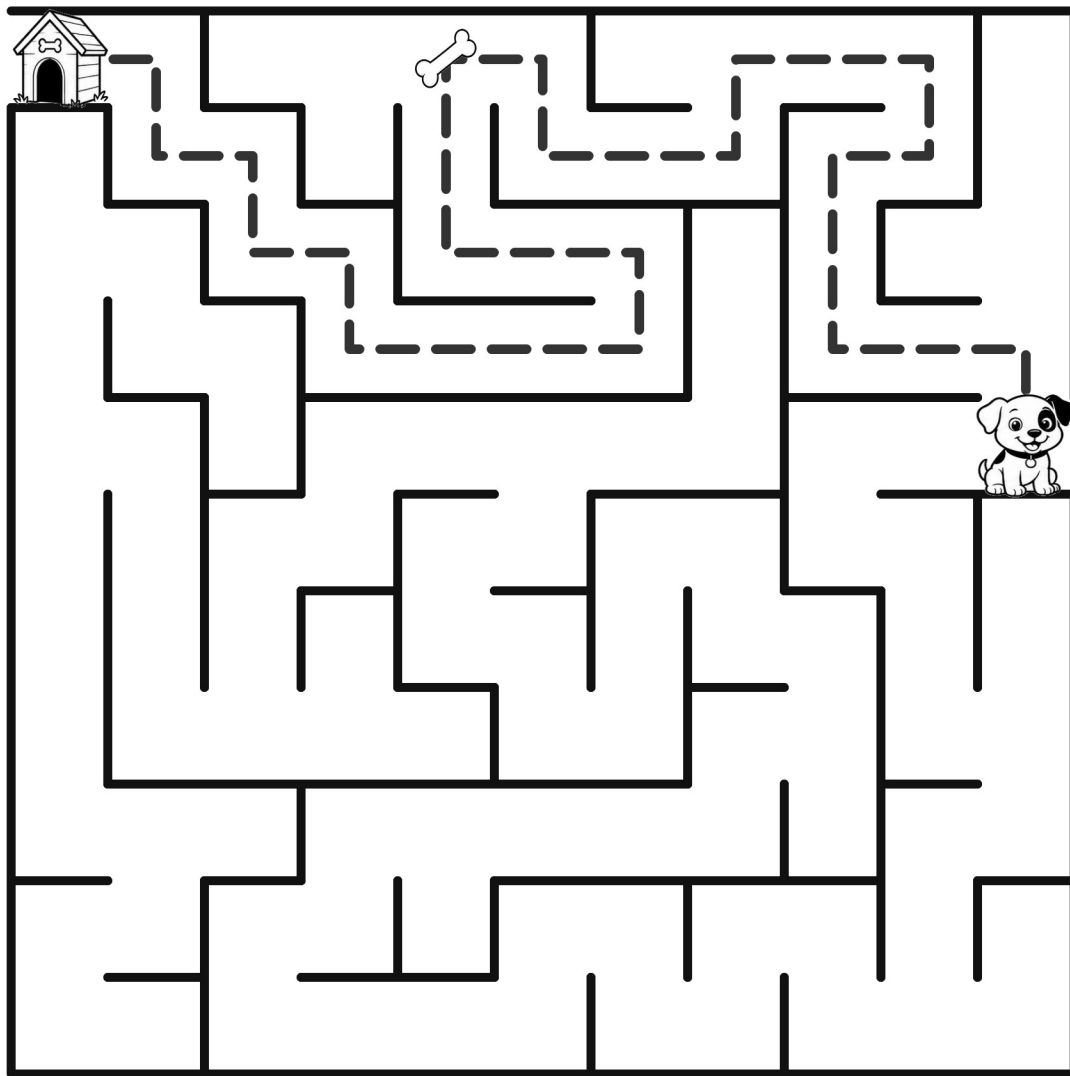

Solution 22

Follow the dashed path to check your answer.

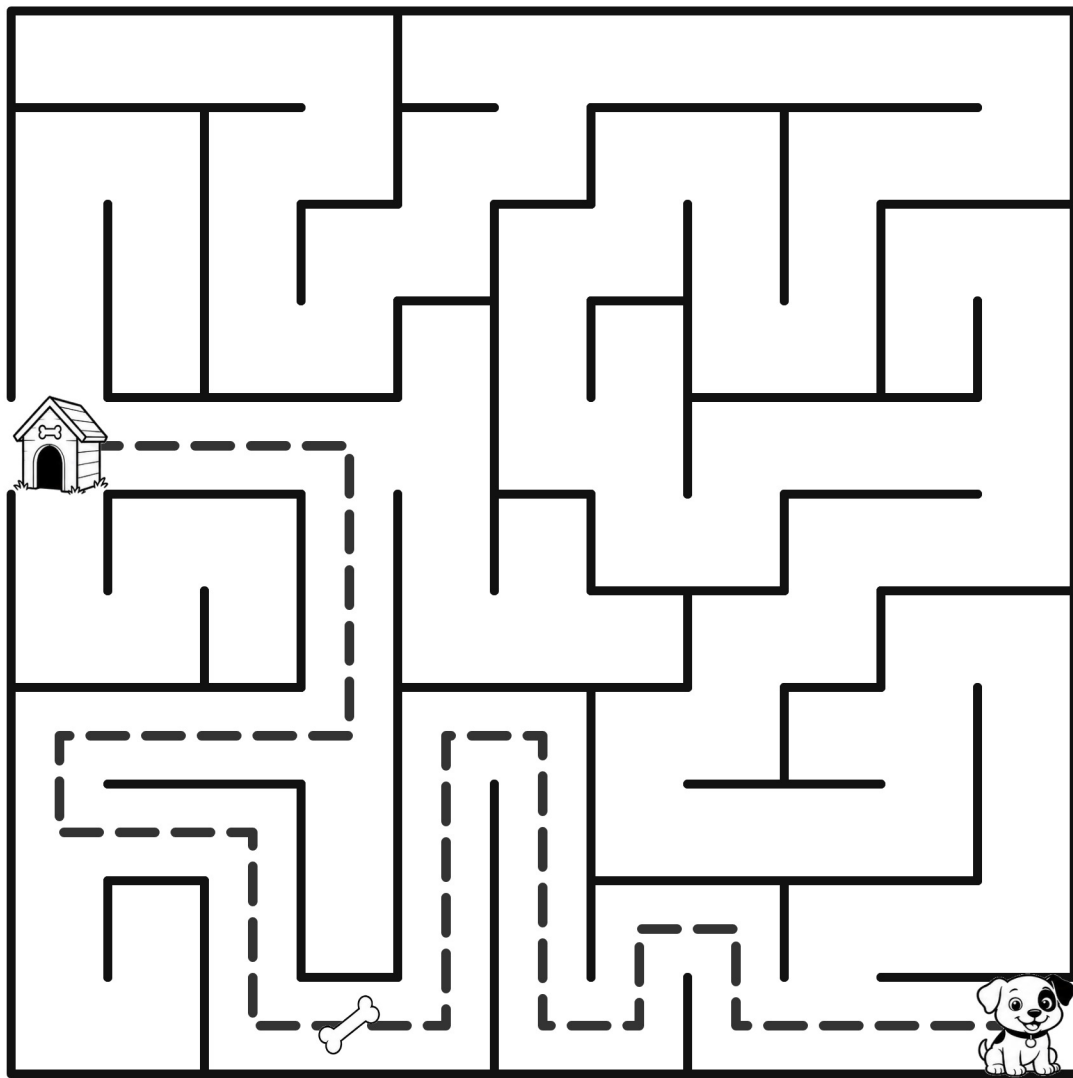

Solution 23

Follow the dashed path to check your answer.

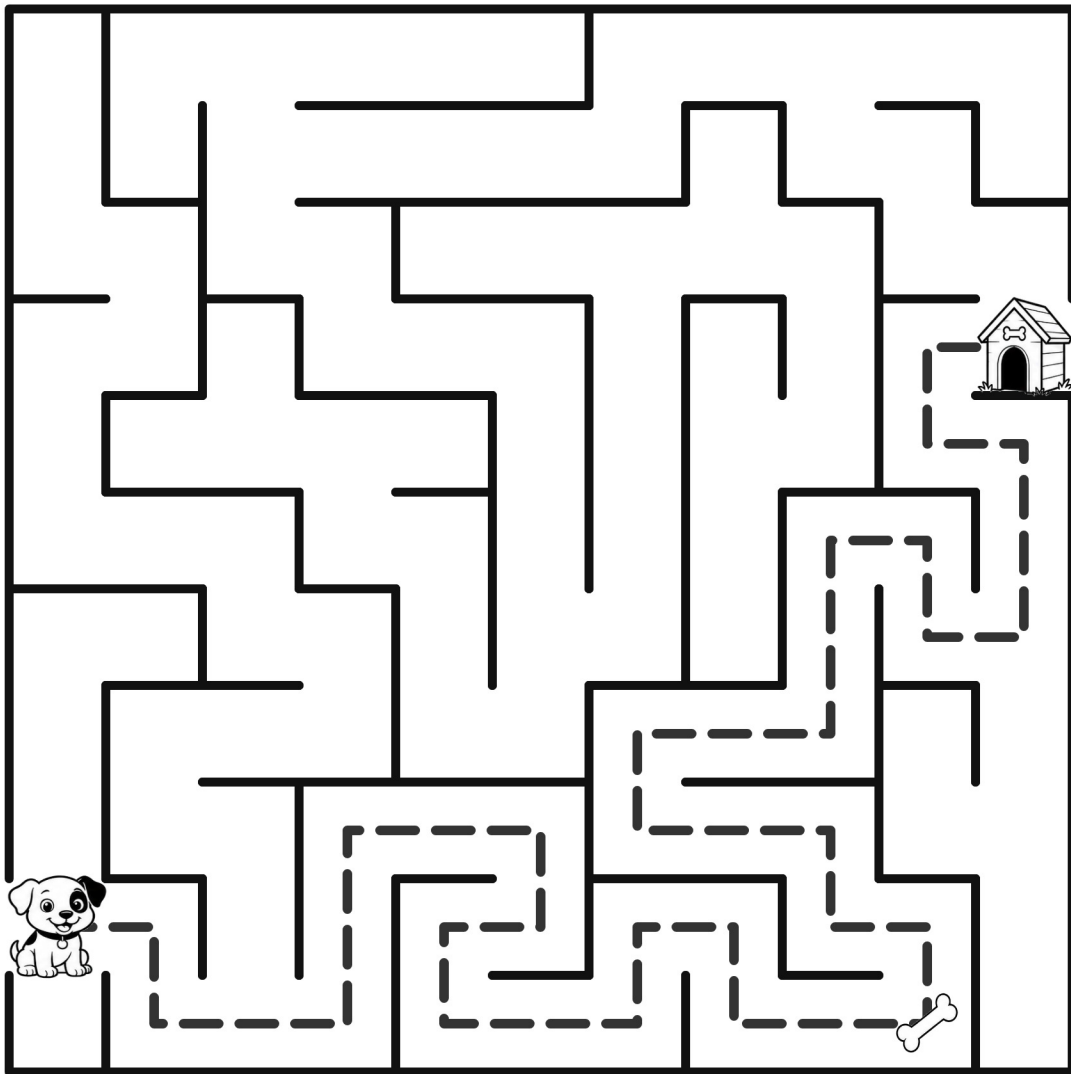

Solution 24

Follow the dashed path to check your answer.

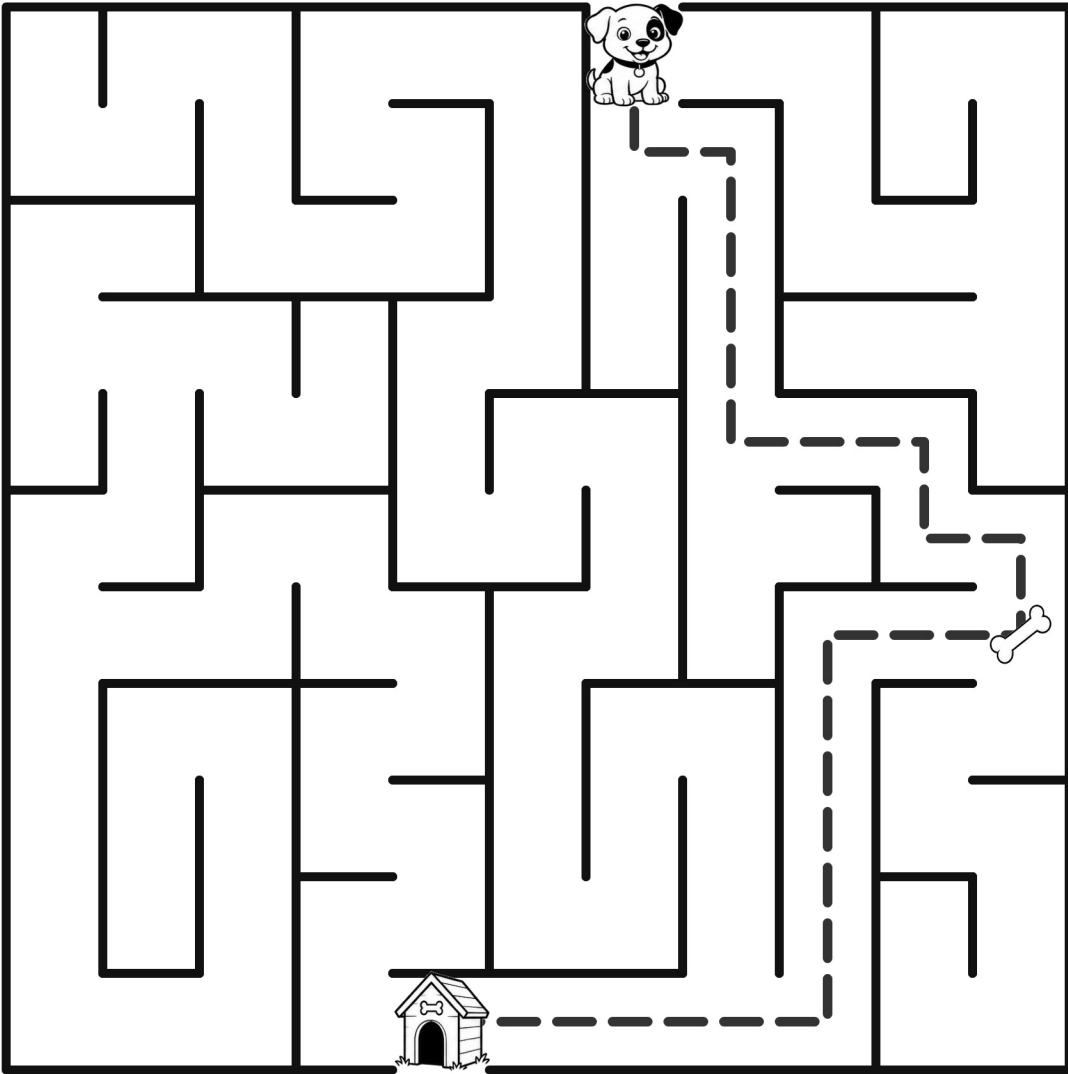

Solution 25

Follow the dashed path to check your answer.

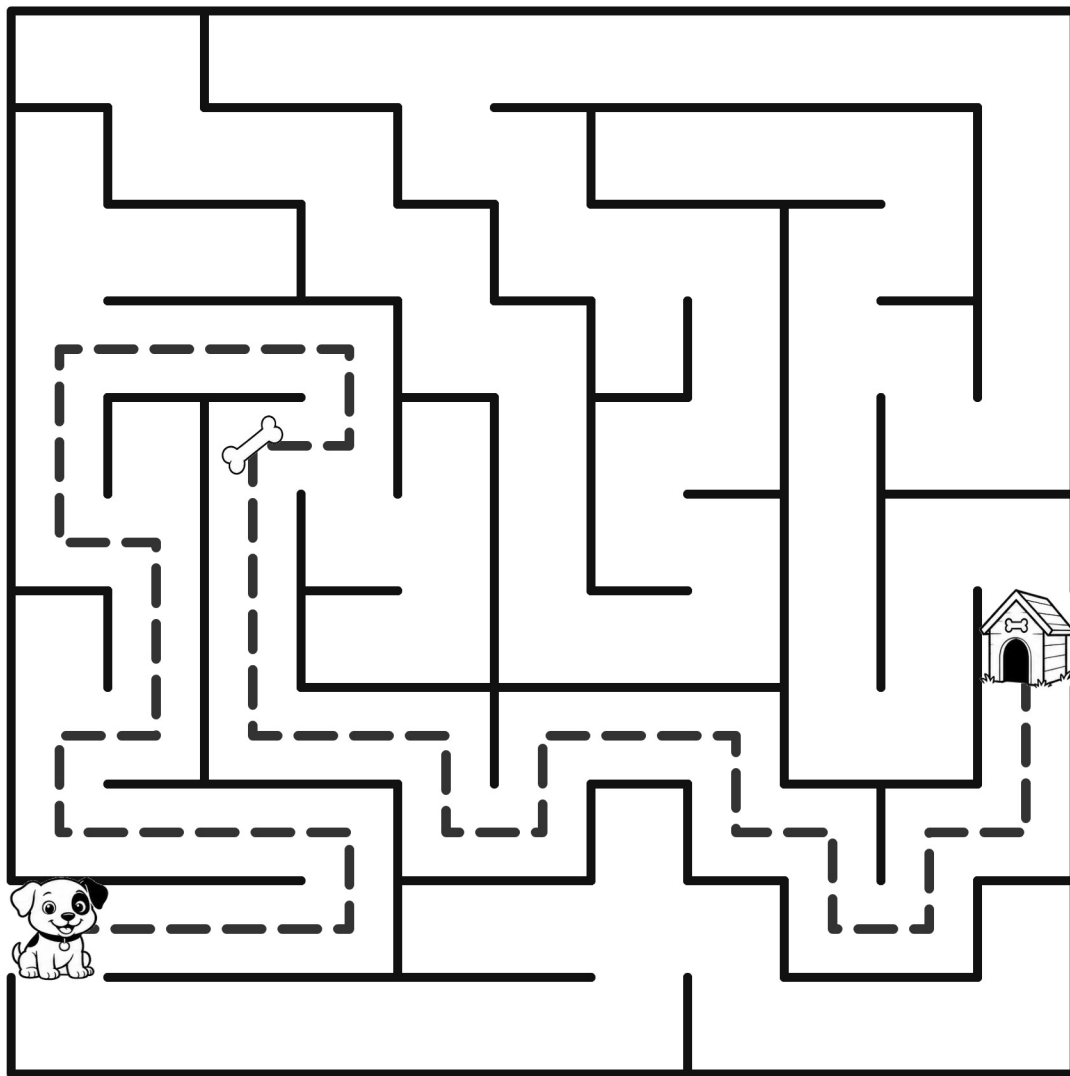

Solution 26

Follow the dashed path to check your answer.

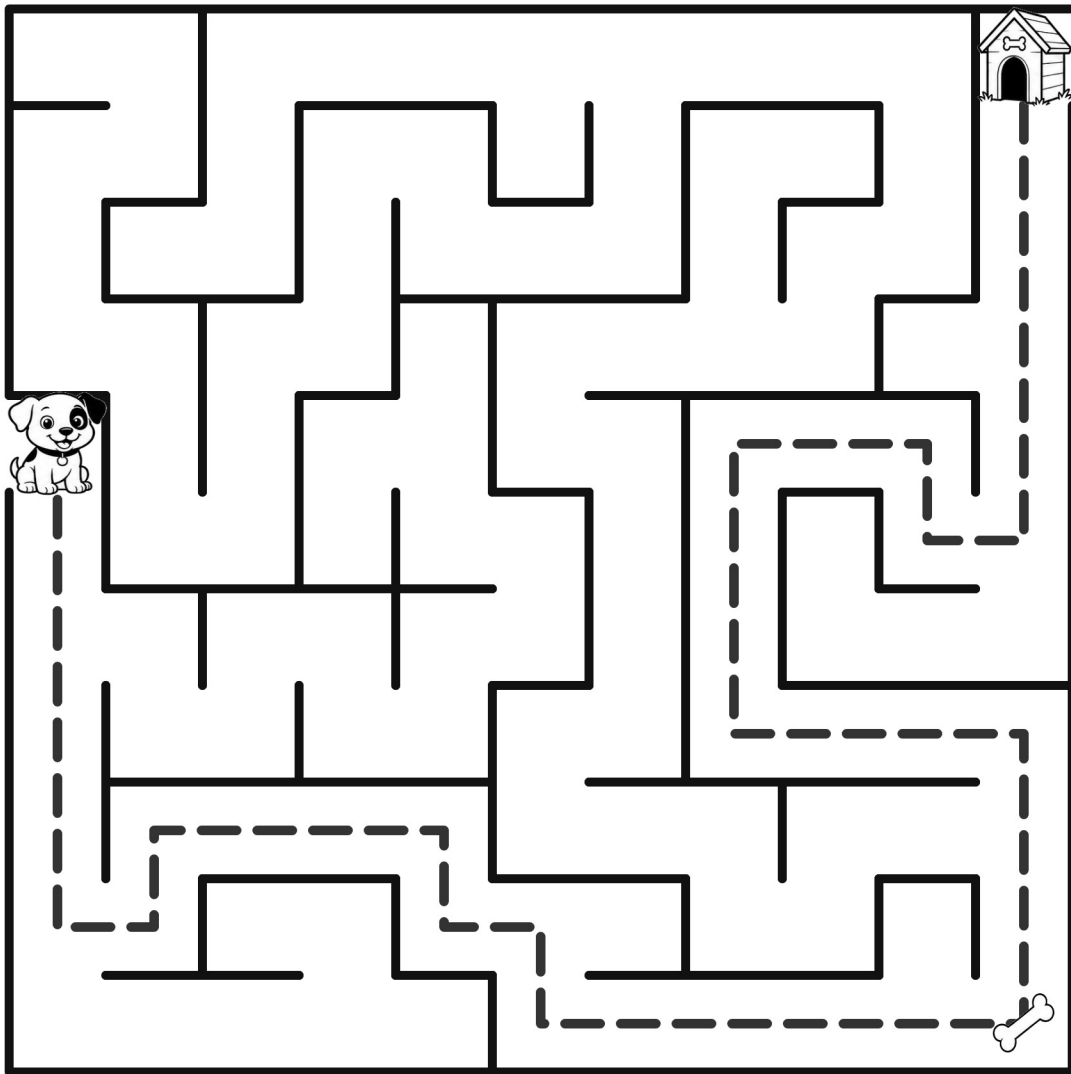

Solution 27

Follow the dashed path to check your answer.

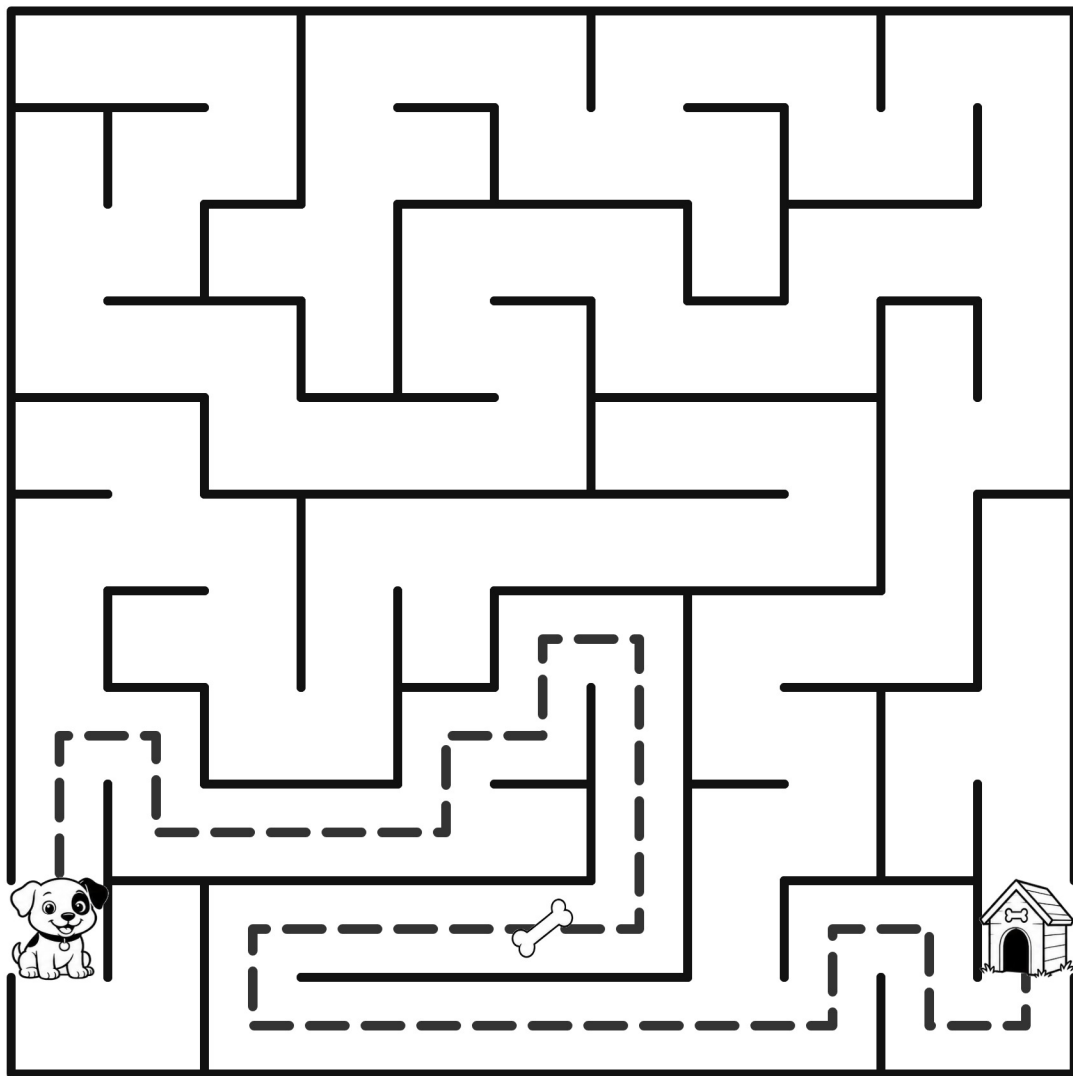

Solution 28

Follow the dashed path to check your answer.

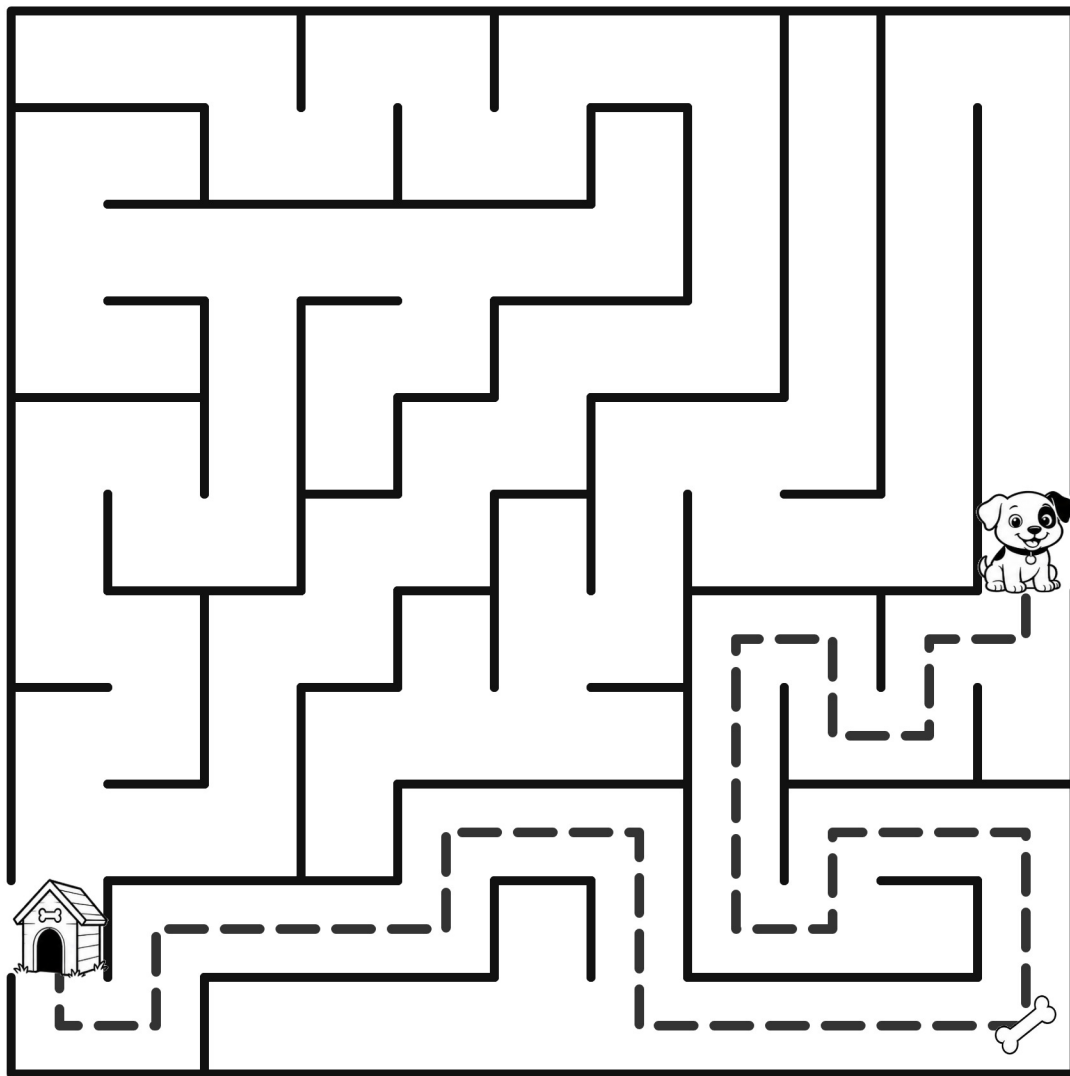

Solution 29

Follow the dashed path to check your answer.

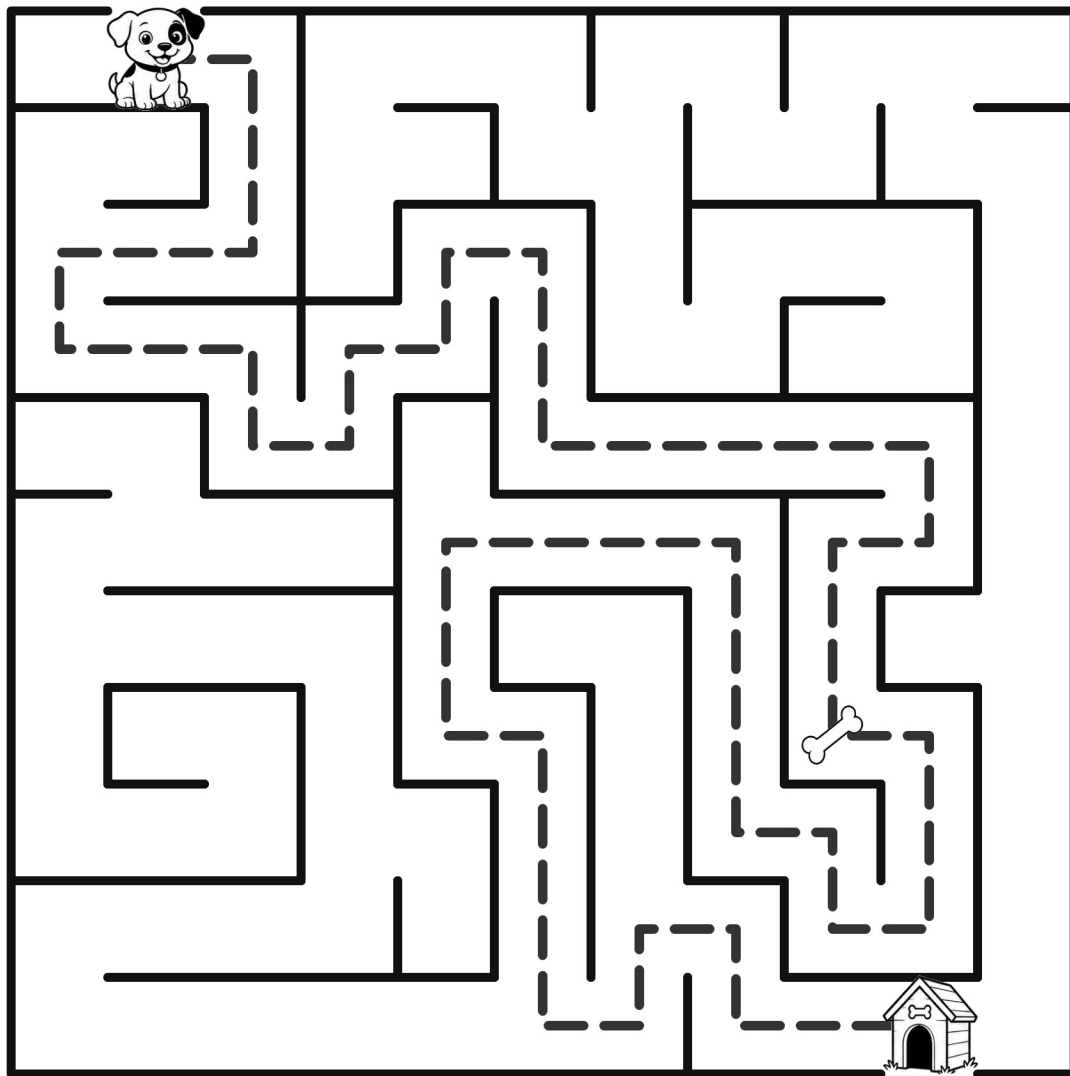

Solution 30

Follow the dashed path to check your answer.

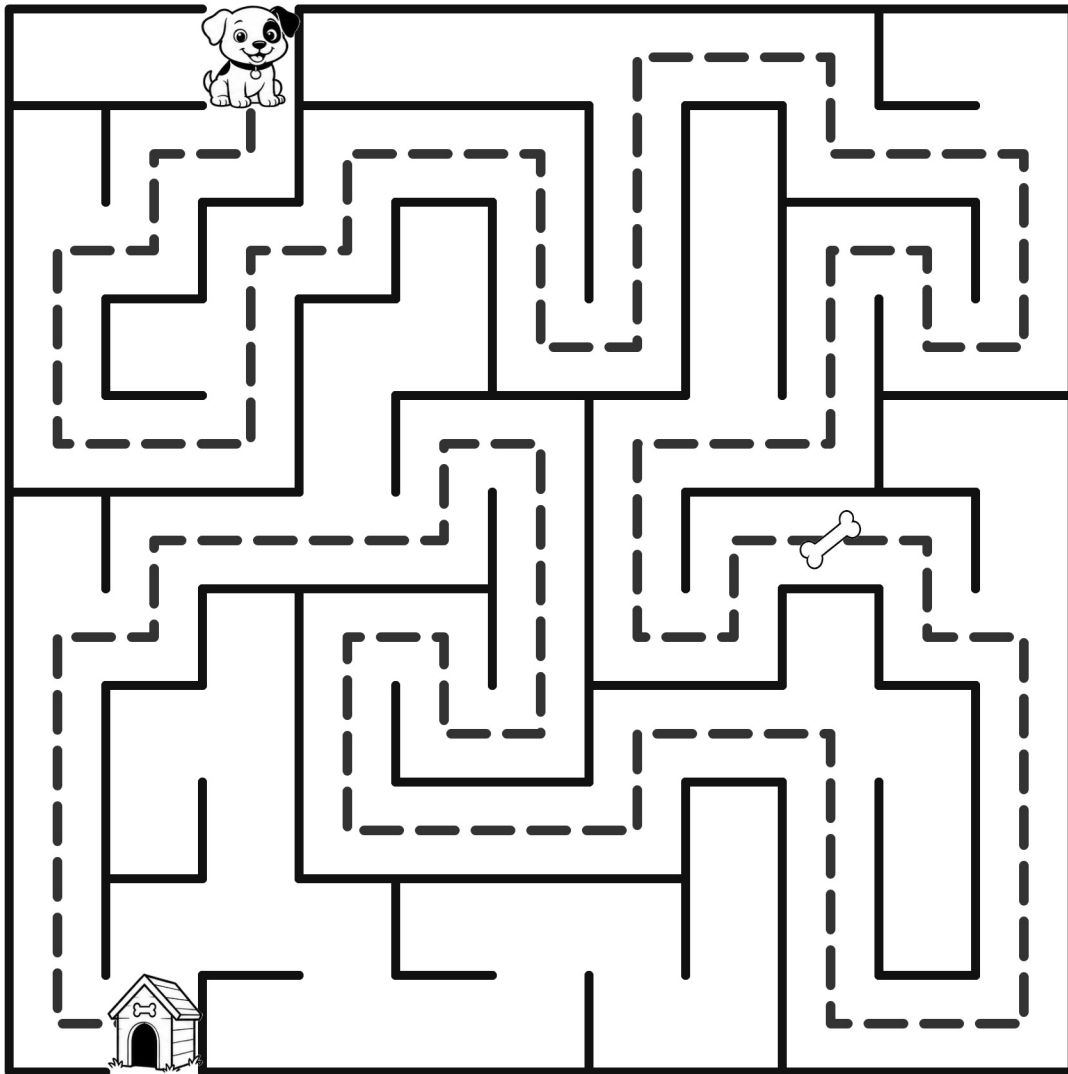

Solution 31

Follow the dashed path to check your answer.

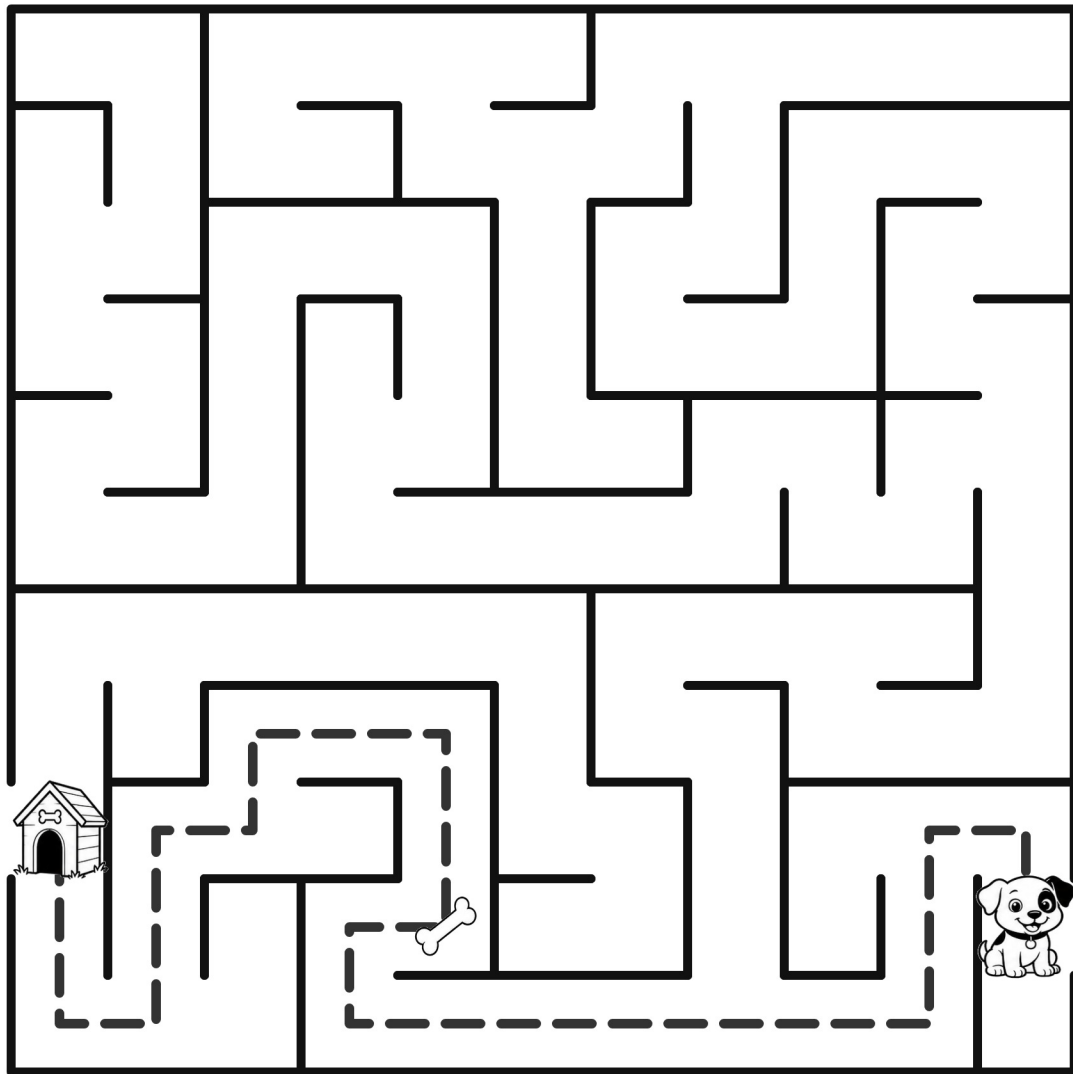

Solution 32

Follow the dashed path to check your answer.

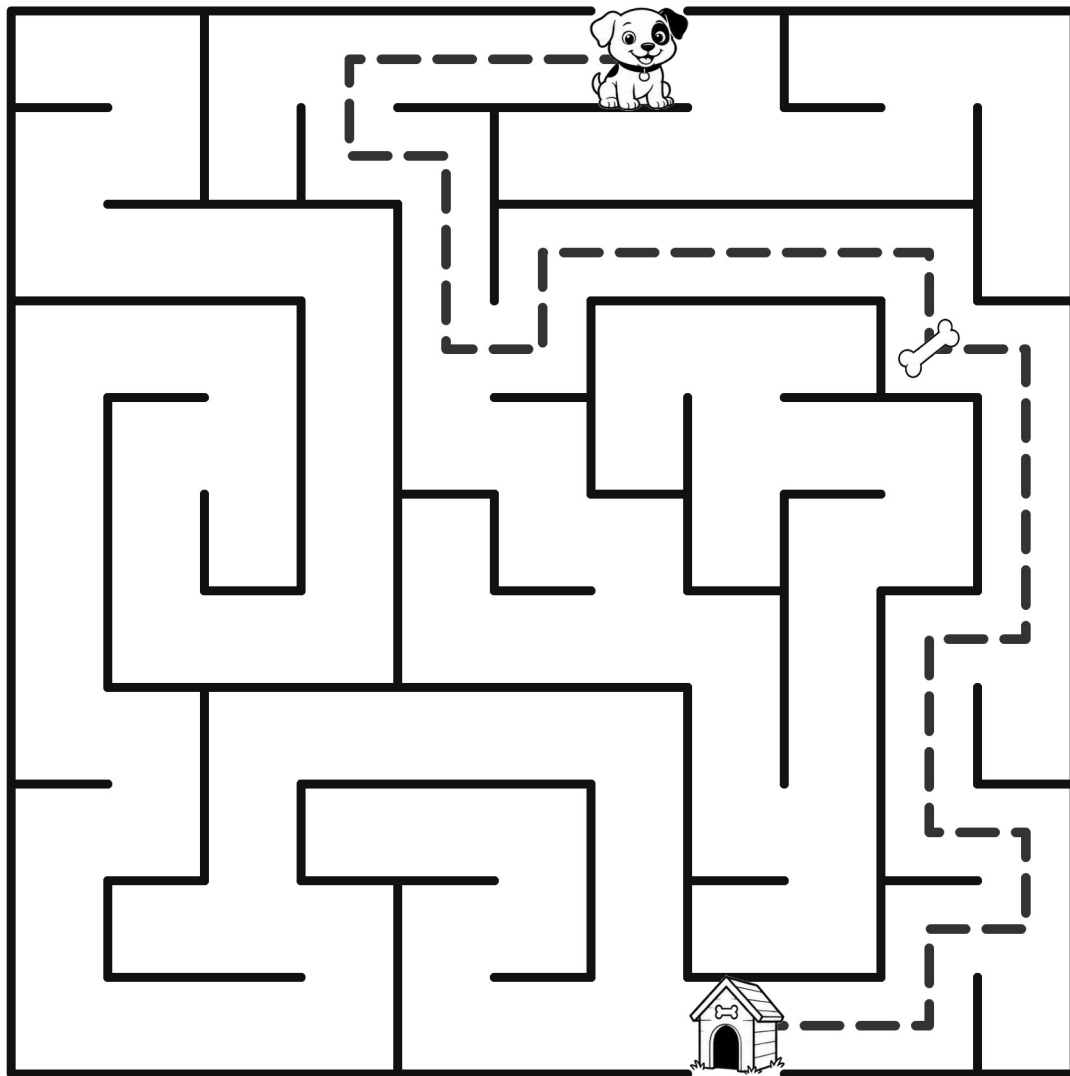

Solution 33

Follow the dashed path to check your answer.

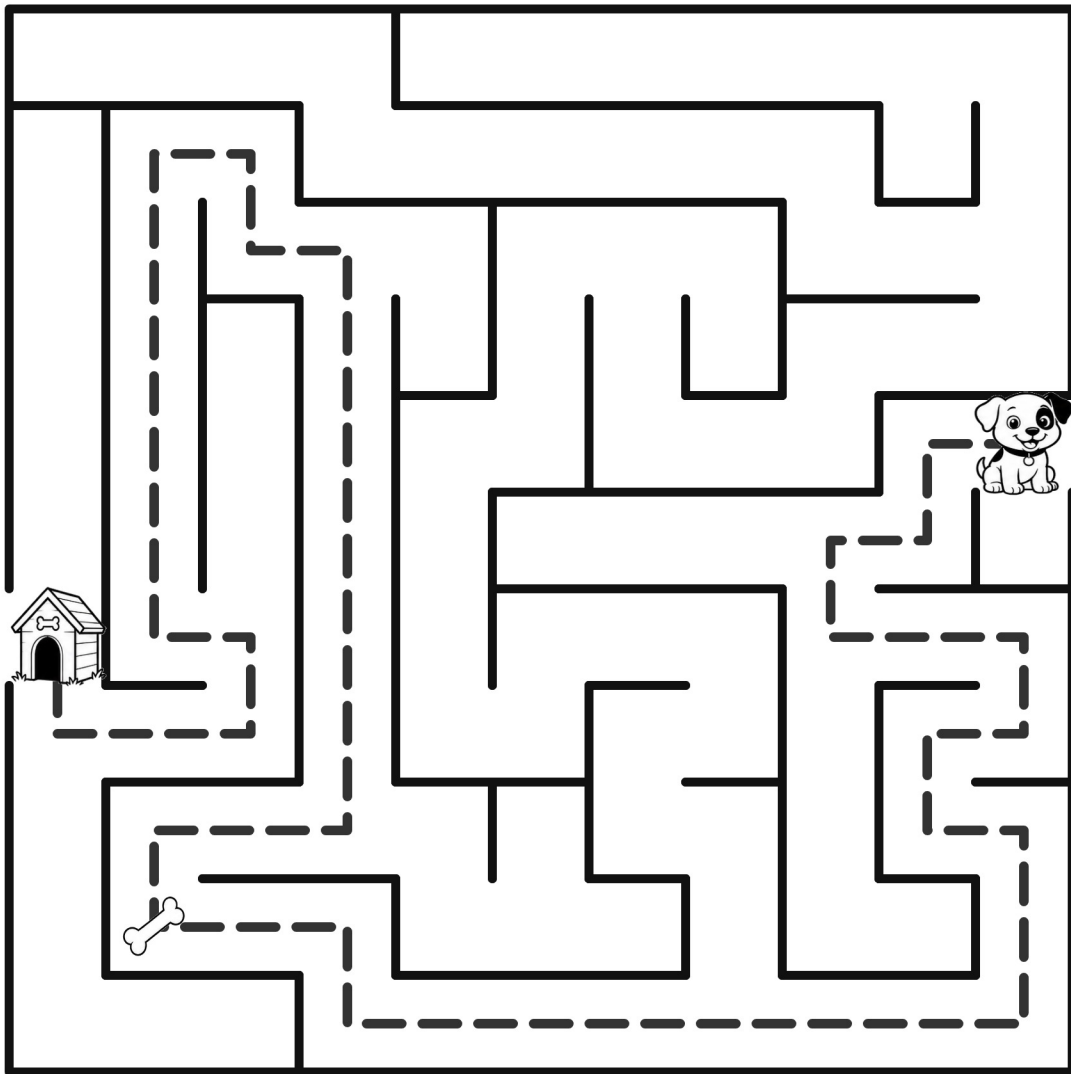

Solution 34

Follow the dashed path to check your answer.

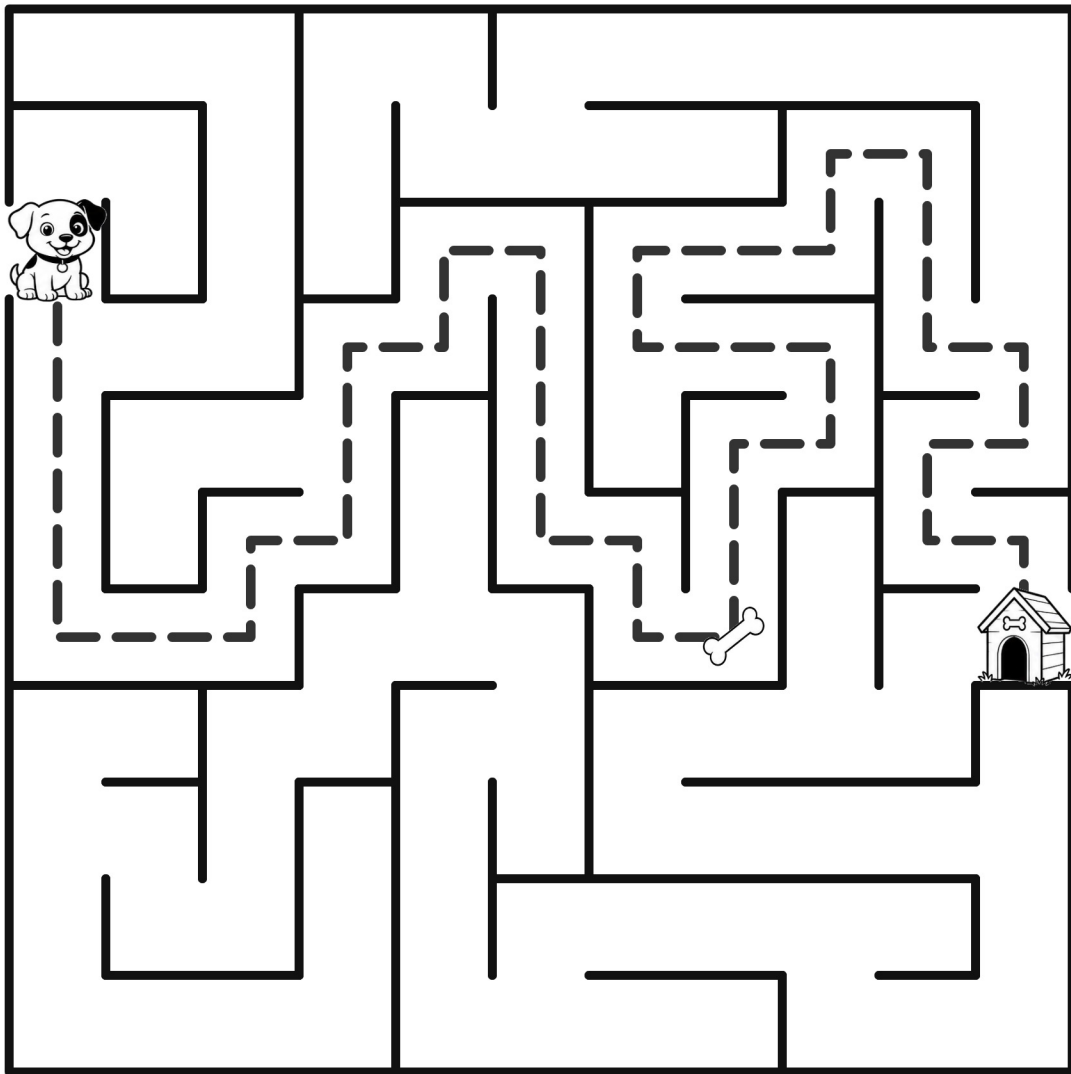

Solution 35

Follow the dashed path to check your answer.

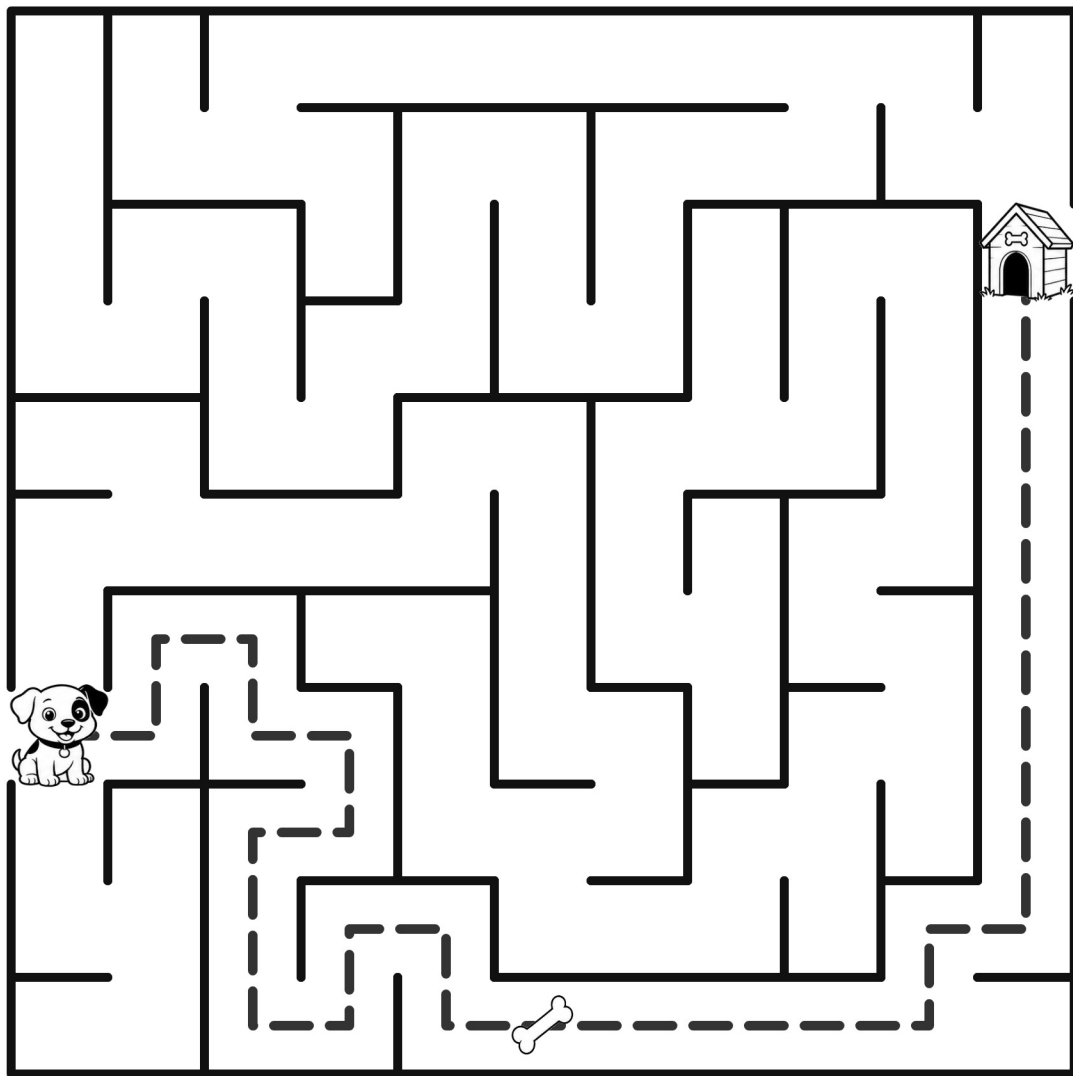

Solution 36

Follow the dashed path to check your answer.

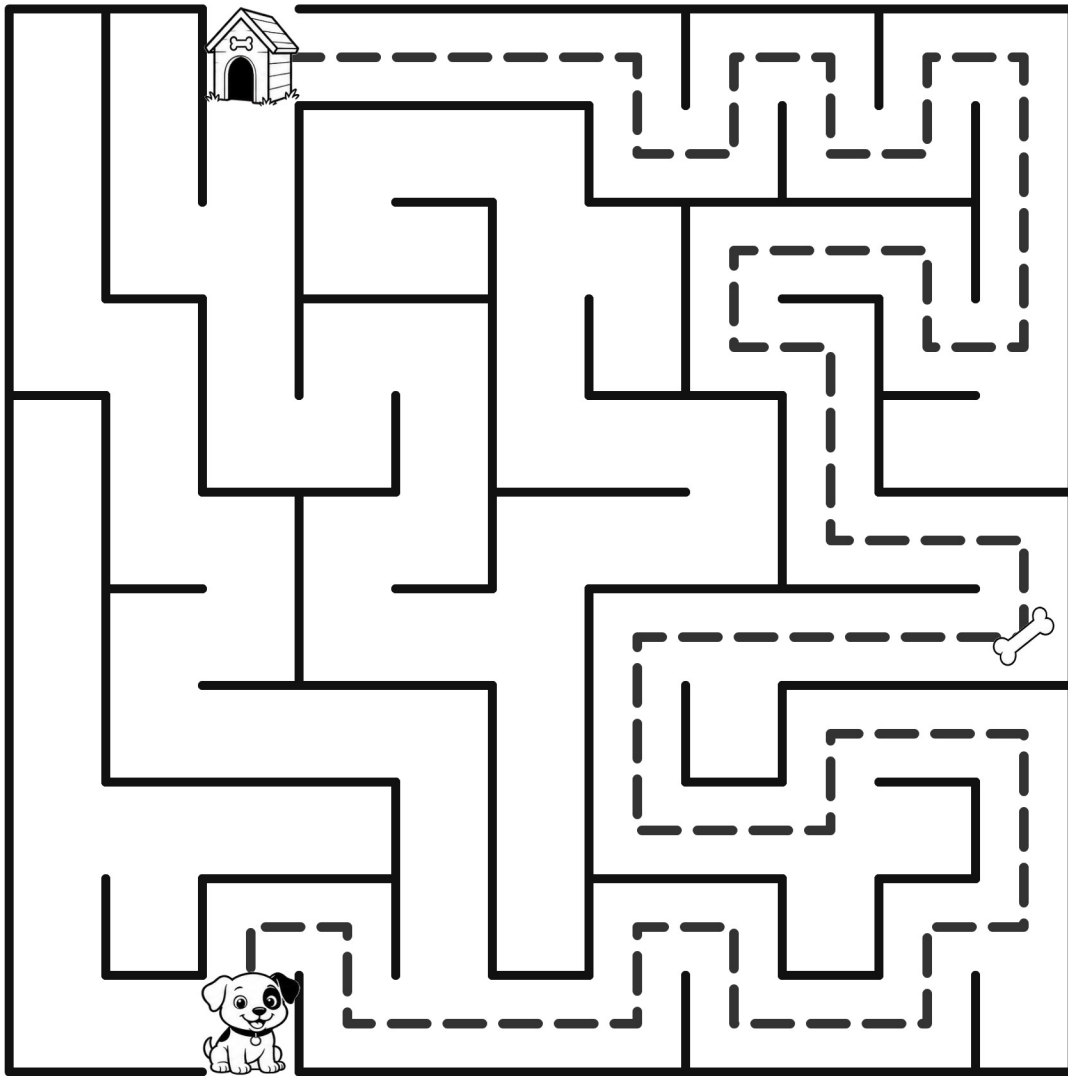

Solution 37

Follow the dashed path to check your answer.

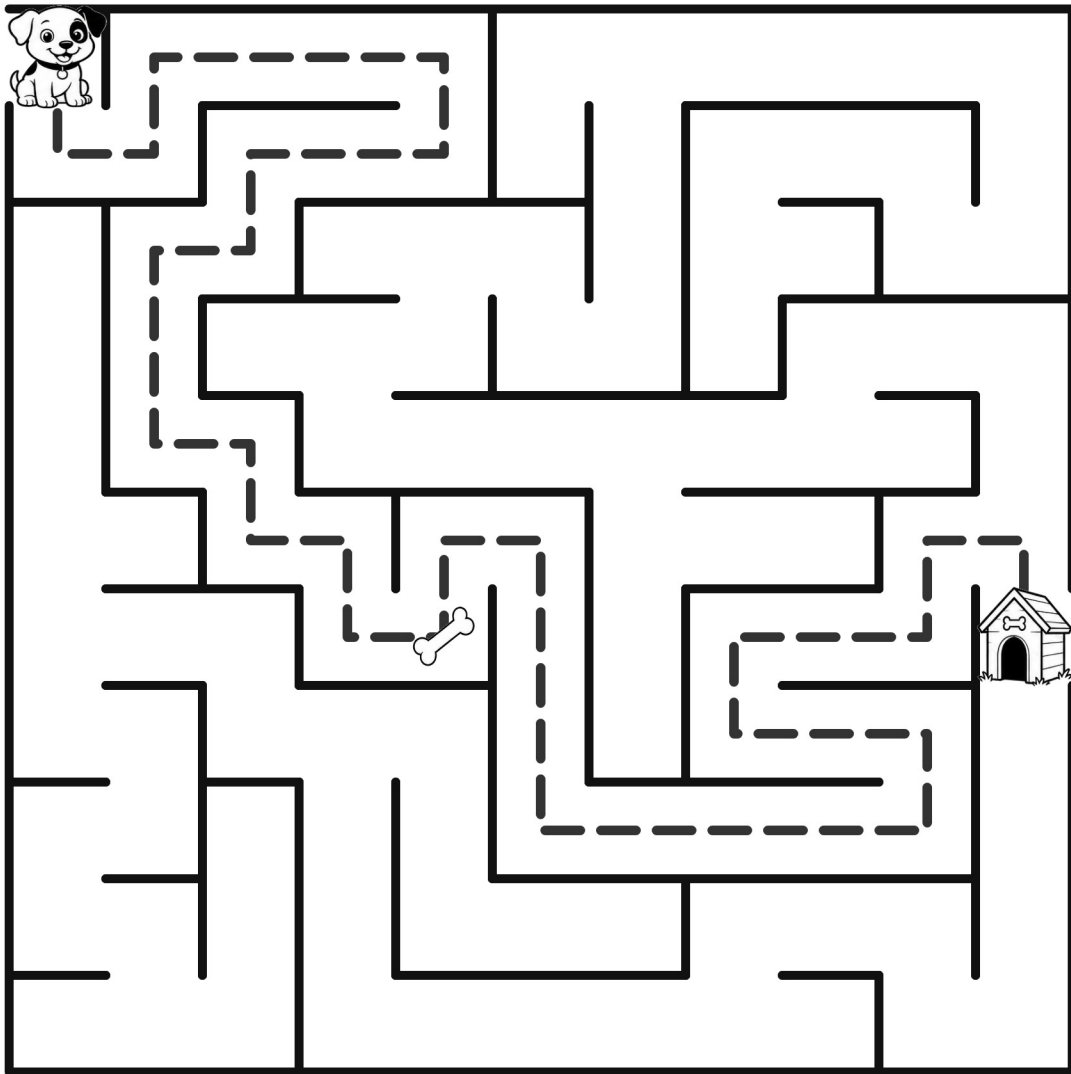

Solution 38

Follow the dashed path to check your answer.

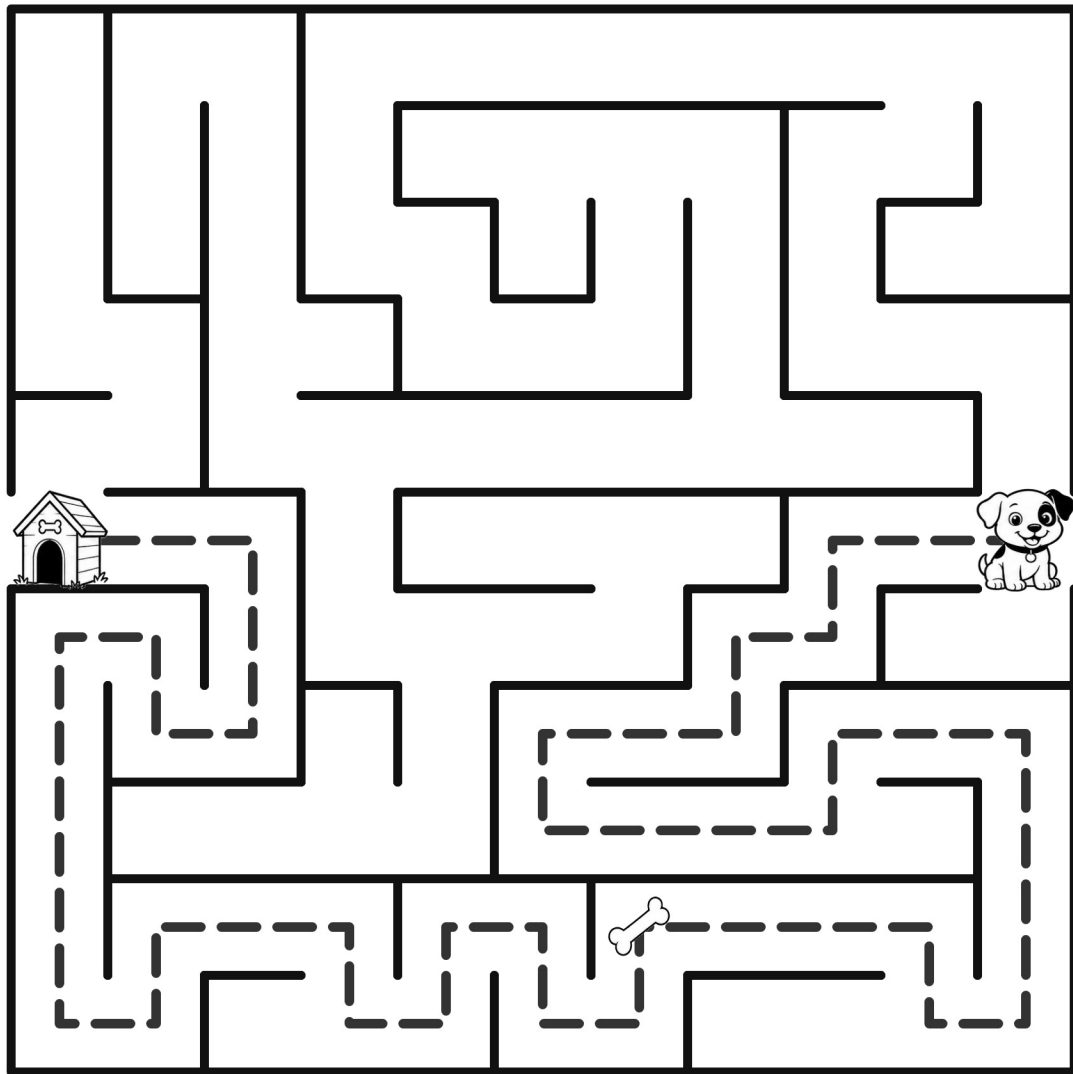

Solution 39

Follow the dashed path to check your answer.

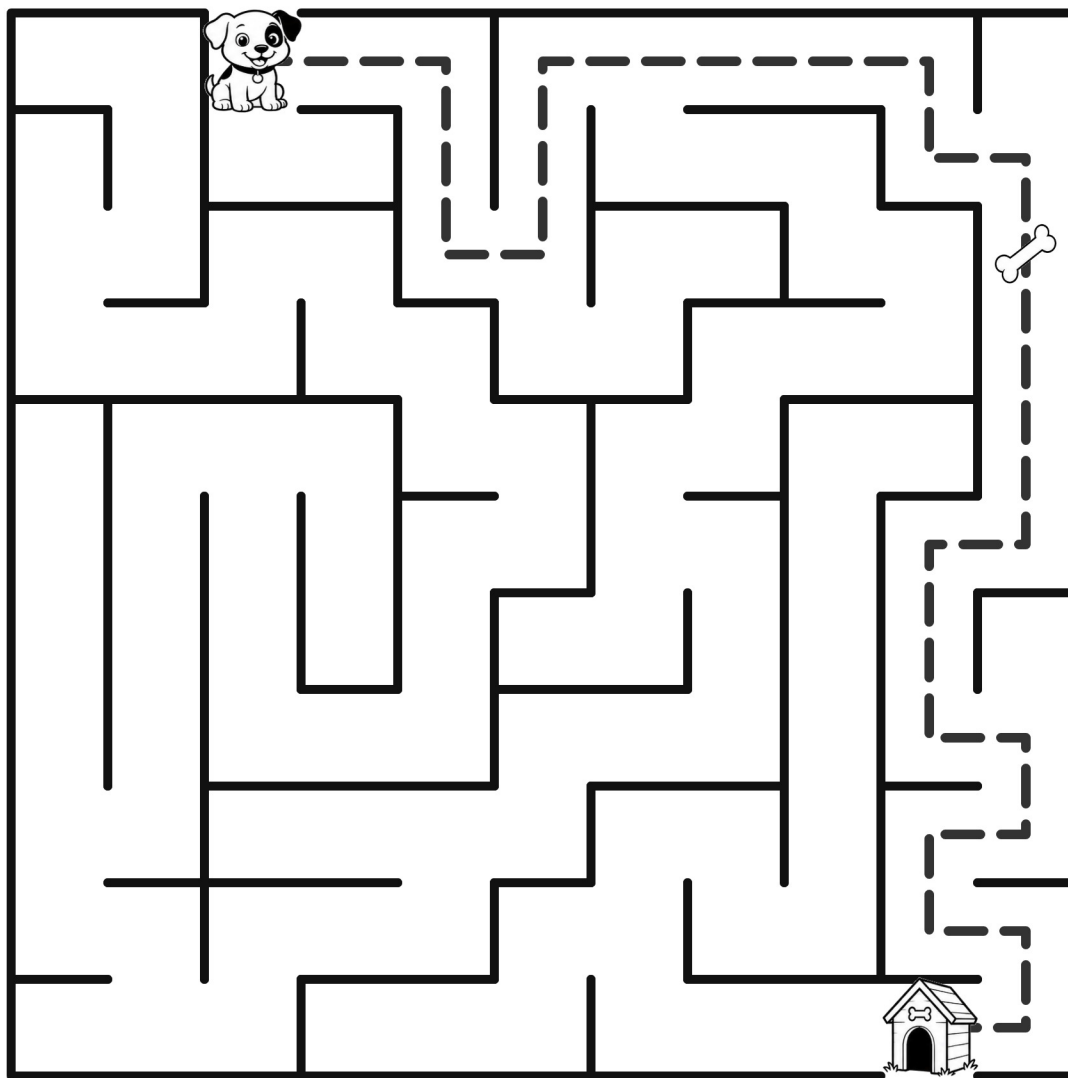

Solution 40

Follow the dashed path to check your answer.

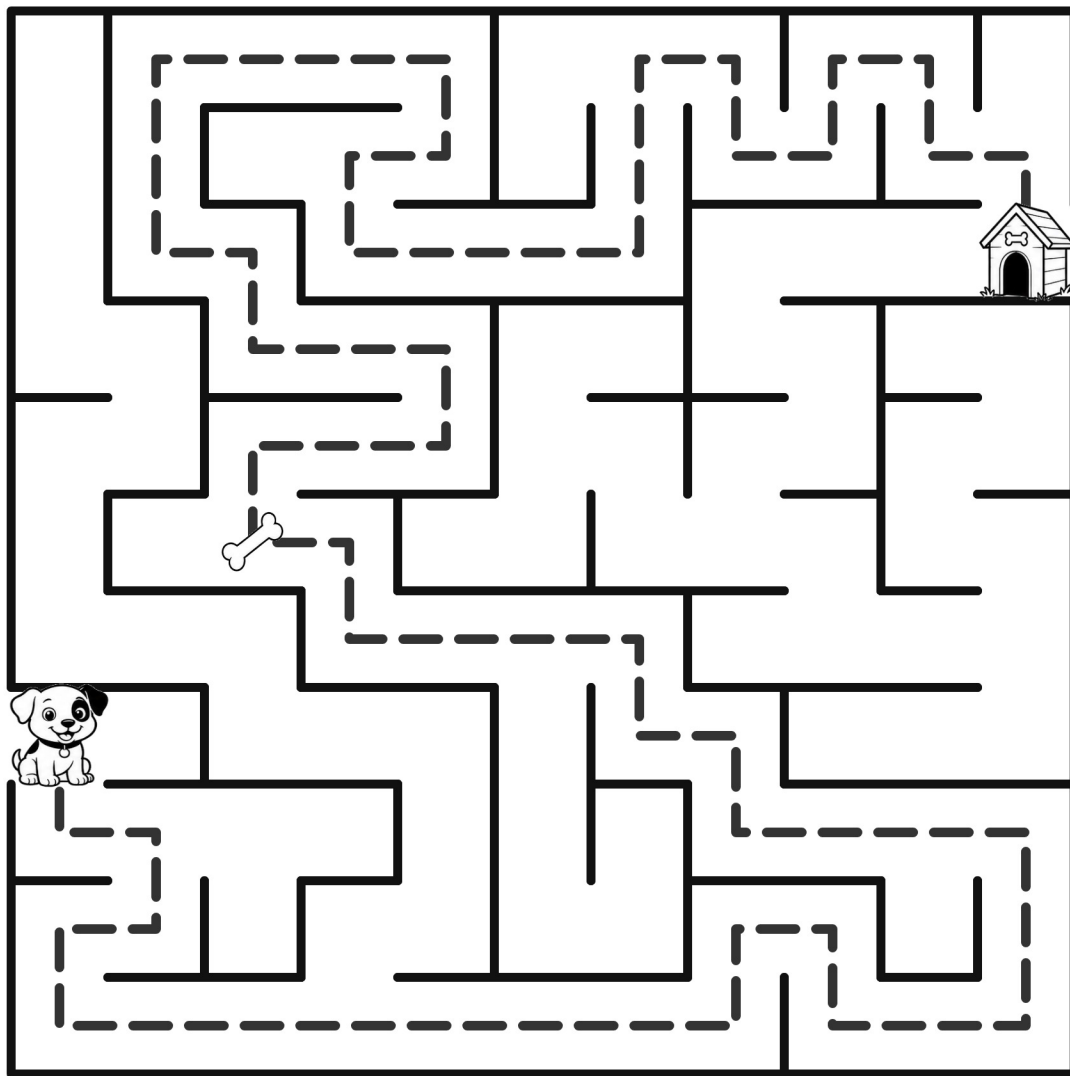

Solution 41

Follow the dashed path to check your answer.

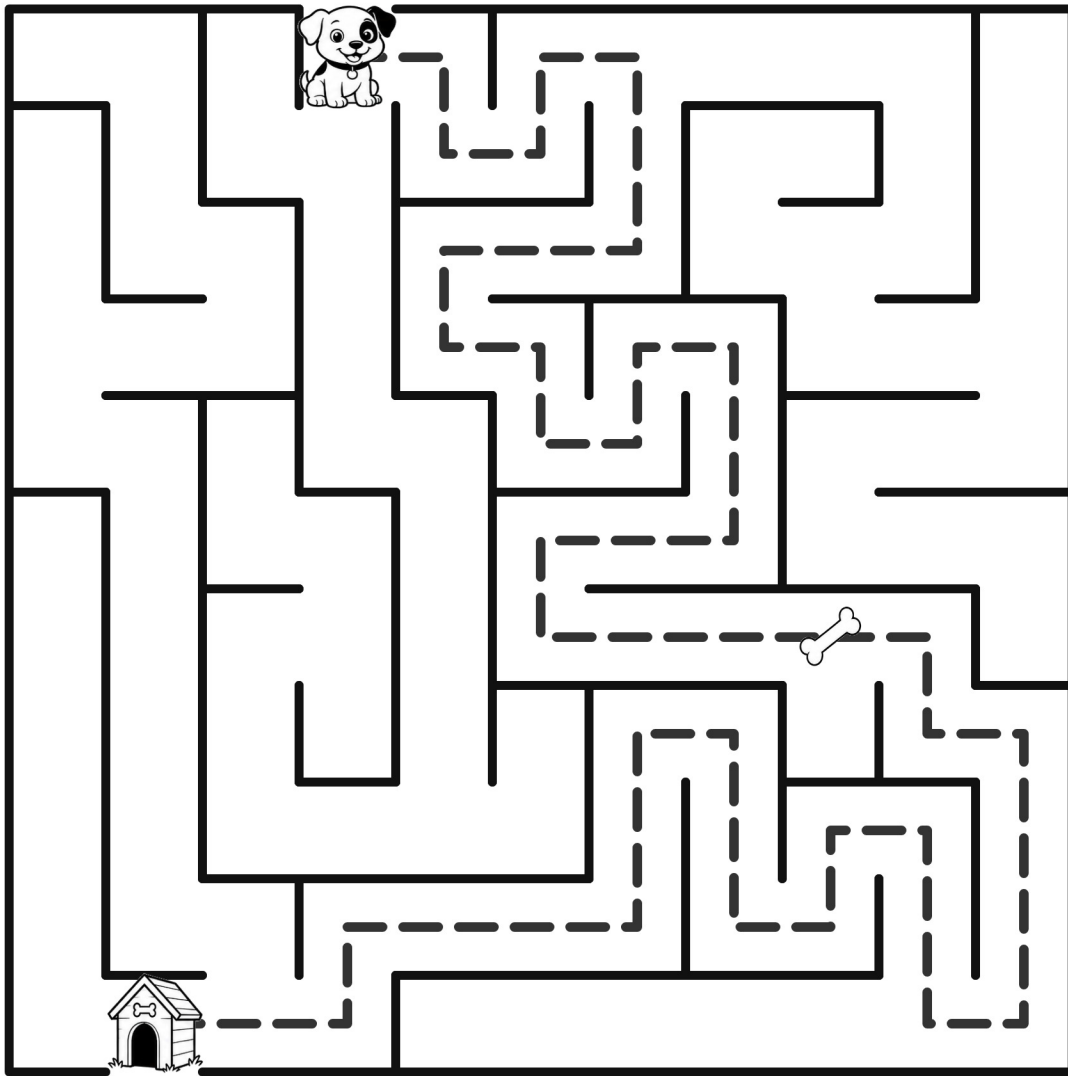

Solution 42

Follow the dashed path to check your answer.

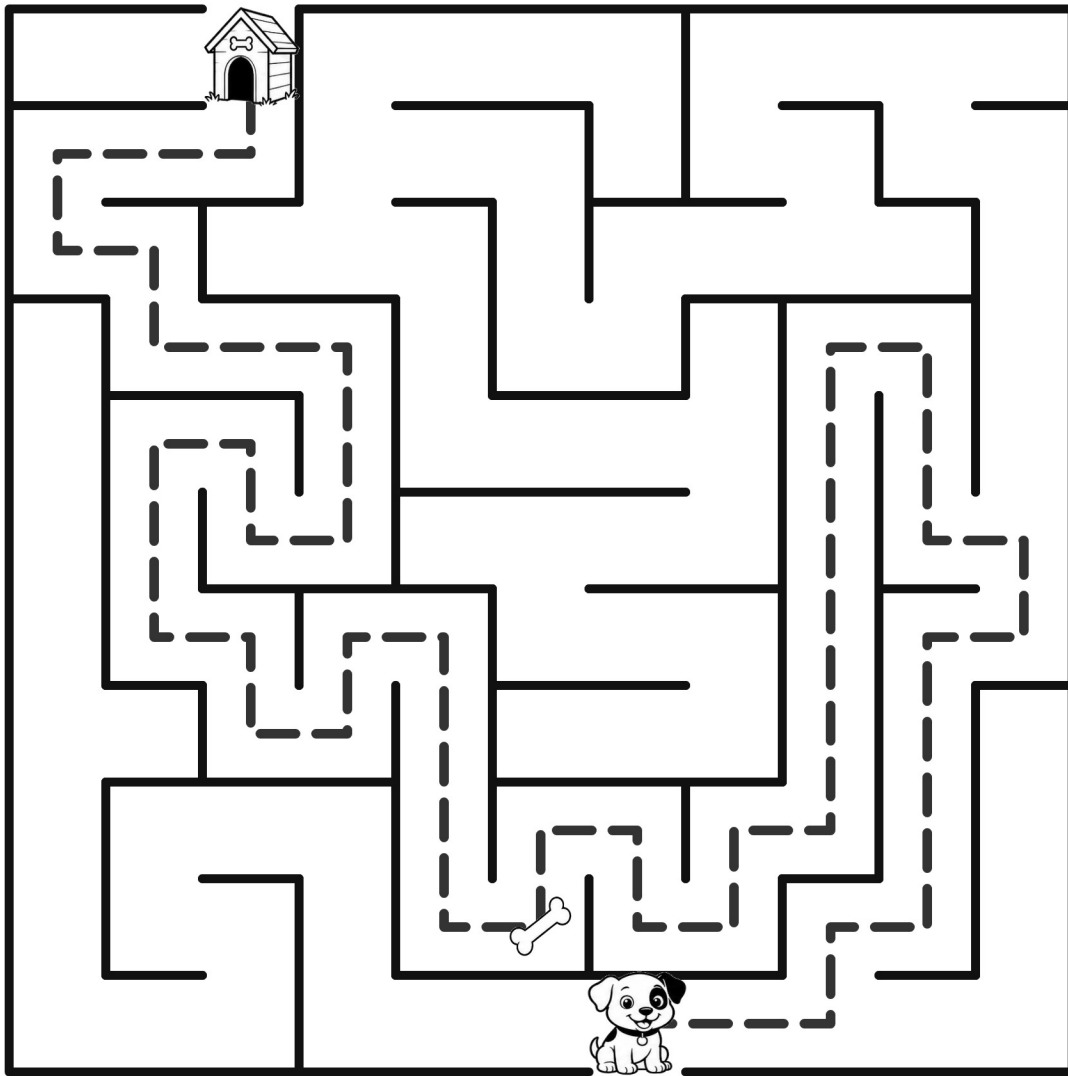

Solution 43

Follow the dashed path to check your answer.

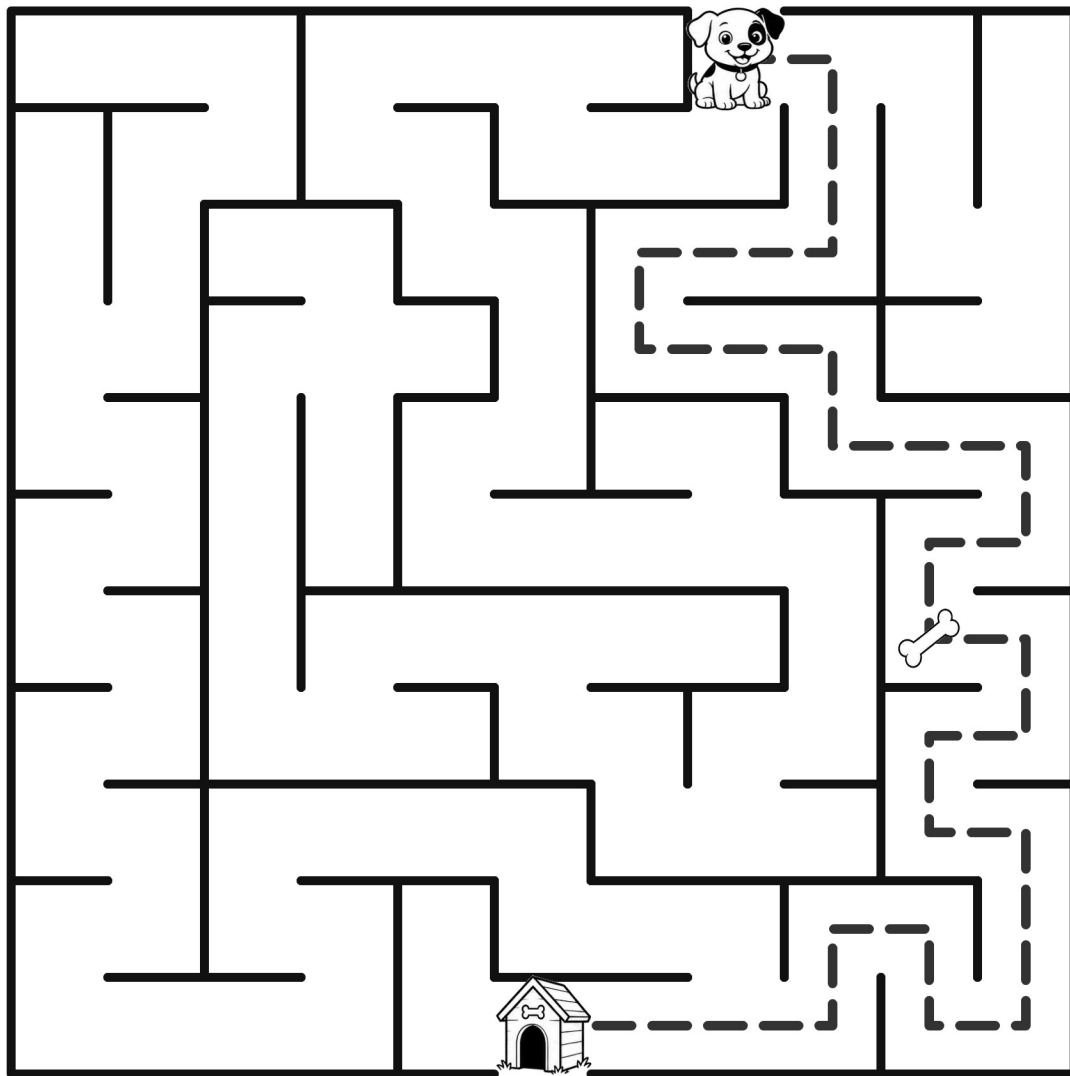

Solution 44

Follow the dashed path to check your answer.

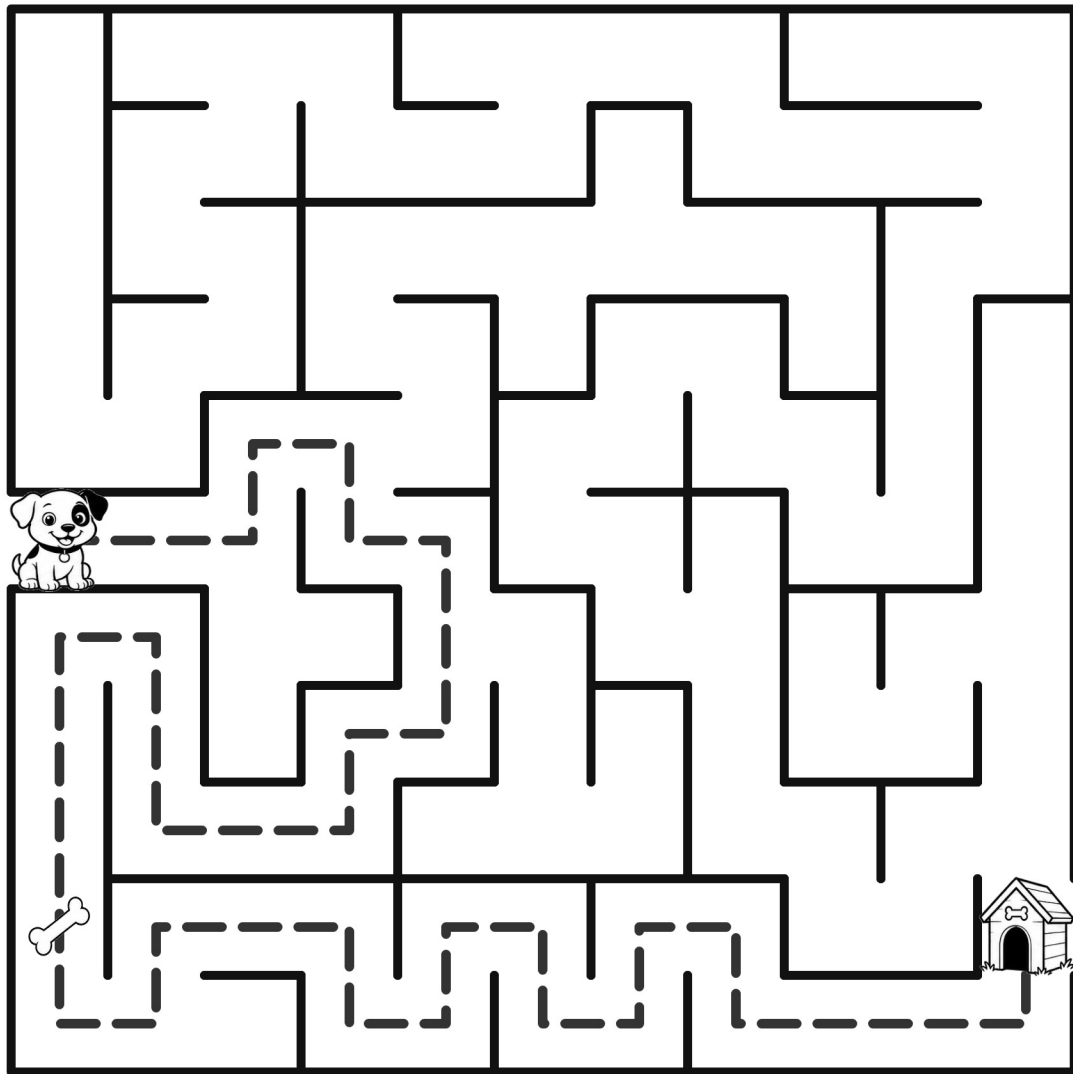

Solution 45

Follow the dashed path to check your answer.

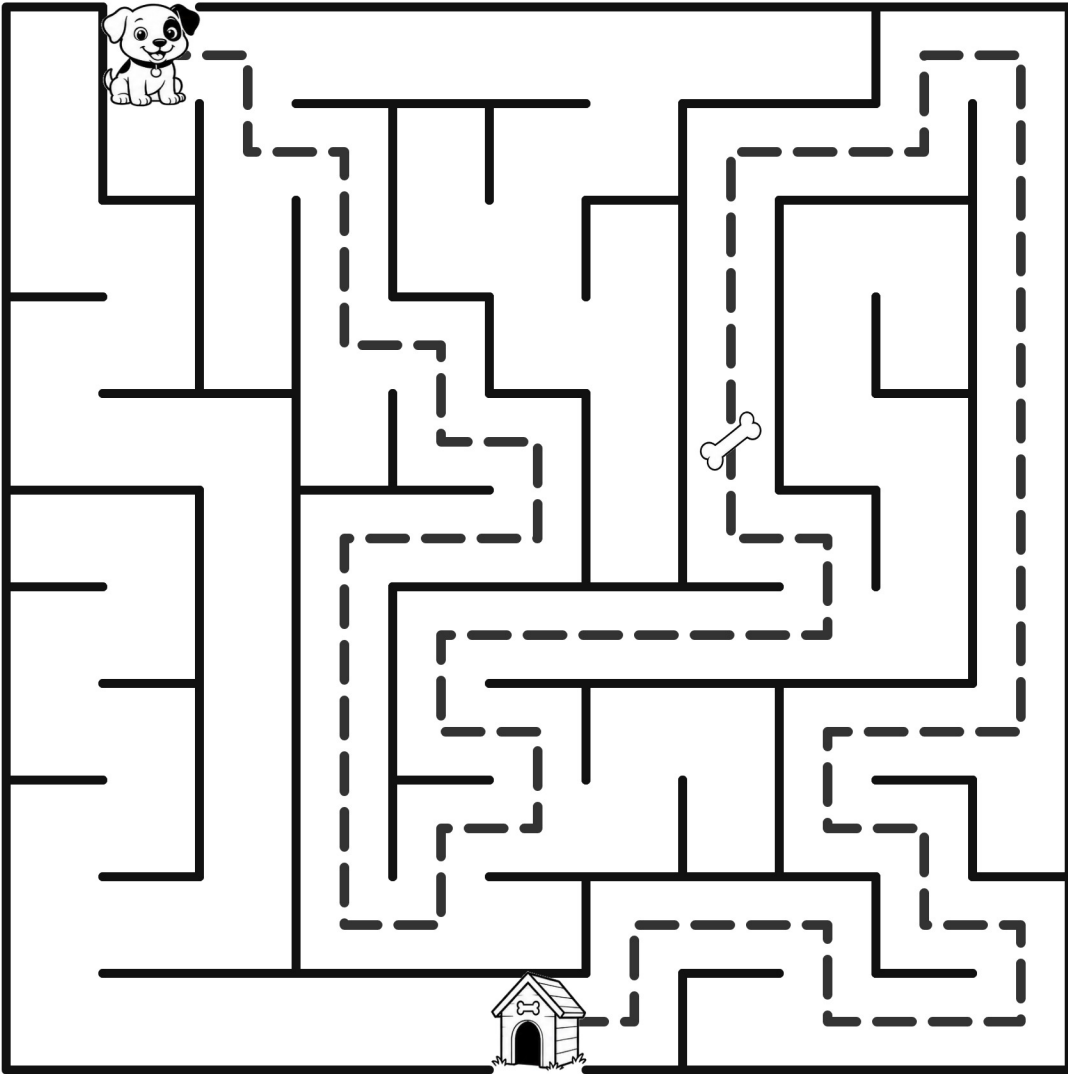

Solution 46

Follow the dashed path to check your answer.

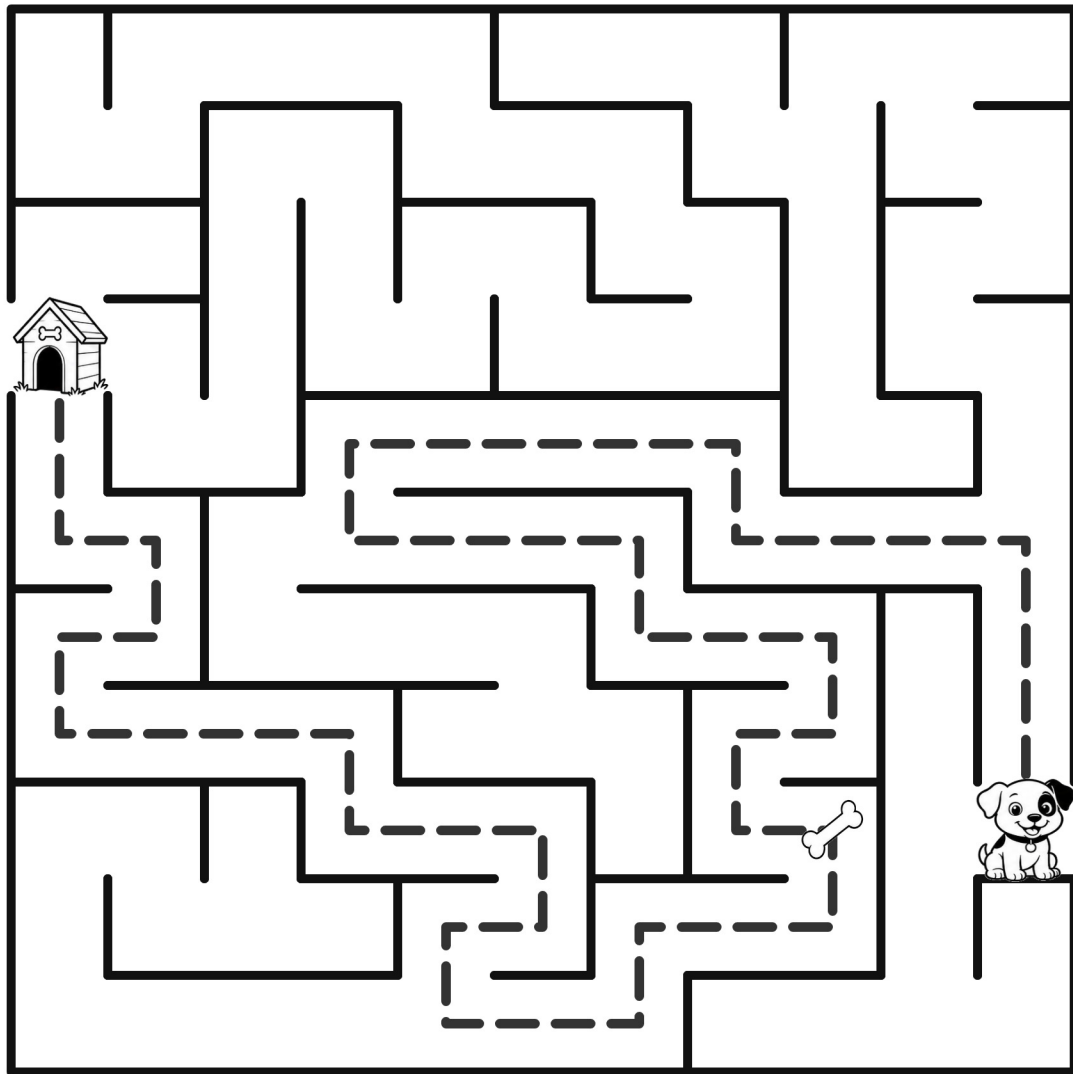

Solution 47

Follow the dashed path to check your answer.

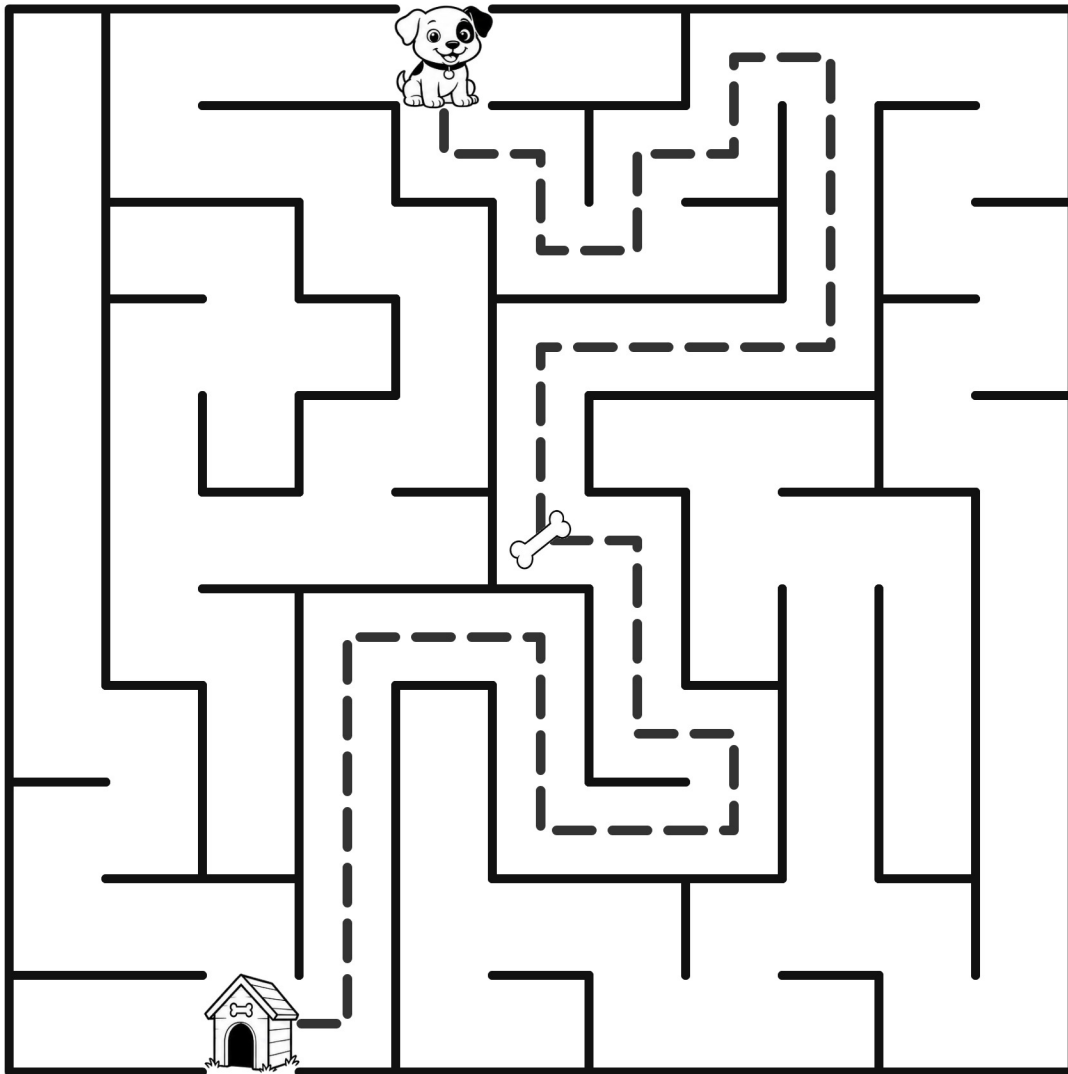

Solution 48

Follow the dashed path to check your answer.

Solution 49

Follow the dashed path to check your answer.

Solution 50

Follow the dashed path to check your answer.
